by robbers about 8 miles from Chalapa, near the
San Juan Mallah and only for the Coachmen being
mounted, at the time he escaped with the Mail, etc.
or certainly the Mail would have been plundered.
I therefore beg you will have the goodness to take such
steps you may deem necessary for the future safety of the
Mails while passing the limits of the Chalapa District.

I arrived, at the same spot, a few hours
after the Mail had passed, and also heard of pro-
rious noise and great disturbance of robbers being
about the place.
