J. Dycroft Esq.
Chief Secretary to Government

Sir,

I have leave most respectfully to address you these lines, and request you will be pleased to submit for the consideration of Government, the unfortunate position in which I am placed after serving Government for the space of 9 Years in the Assistant Commissee Office and the Madras Railway for 2 Years and 6 Months.

I was peculiarly unfortunate while in the Assistant Commissee Office, after 9 Years service I was compelled to resign my place owing to some very urgent private affairs, which I had to attend to; previous to my doing so, I had strived hard to obtain a short leave, and which I was according to the Uncovenanted Service Rules justly entitled to, but it was unfairly denied me, situated as I then was, I had no other alternative left than to tender my resignation, never for a moment anticipating that an order of Government will be issued requiring to pass the Uncovenanted Service examination if I should re-enter service. I was necessarily out of employ for a short time and afterwards obtained employment in the Madras Railway as a Clerk, and subsequently as an Inspector in that Department in the Coimbatore District, here I endeavoured to remain, but could not do so, as it will be seen by the annexed letter of Mr. Webb the Engineer under whom I was placed, my health being so impaired that I was forced to give up my appointment, leave the District and return to Madras to regain my health.

Under these circumstances I venture to solicit your kind Office in laying this my case before Government with a view to my succeeding in obtaining their permission to my being re-employed without passing the Uncovenanted Service Examination, for after a faithful

Service

Service extending over 9 Years to Government by myself & disqualified
under the present Rules, & imagine is a great hardship to me in my
Circumstances - & therefore beg Government will be moved to give my
Case indulgently, and specially allow of my being re-admitted into their
Service without undergoing examination.

In support of my conduct I also beg to
annex copy of a Testimonial, which I trust will meet with the approval
of Government.

Yours

Your most obedient servant -

alternatives but to accept the resignation you have tendered, which I do
from this date.

The amount due to you, for which I enclose a Memorandum
should not properly be paid till I receive money from Madras - but to avoid
detaining you here I send you the amount for which with a stamped
