Chief Secretary to Government,
Department,
Fort St. George

Sir,

The Inspector General of Hospitals, having completed his Tour of Inspection in the Provinces of British Borneo, is occupied in arranging his notes to draw up a Report on that country, and, being anxious to make it as complete as possible, is desirous of having access to any Mr. S. S. or printed compilations which may assist him in completing the work before him; and requests me to make application to the Government of Madras and Bengal to forward to him at Pangoon any such Mr. S. S. or printed papers, which the Inspector General promises shall be carefully returned if desired. I have the honour, therefore, to request that you will submit His Excellency the Governor in Council to be pleased to permit any papers, bearing on the subject of the Inspector General's inquiries, which

... in the records to be forwarded to that
Office as requested; and, further, if the Governor
in Council think fit, that the Government of India
may be solicited to grant the same favor.

I should state that the Local Admin-
istration in Burmah, and the Conservators of
Forests there, have proffered every assistance to
the Inspector General, with access to their Records
to give any information desired by him that they
may contain; so that it seems to me probable that,
as all Reports rendered to the Indian Government
must be derived from the authorities in Burmah,
the archives there contain all that the Government
records of Madras or Bengal can furnish. The
strictly Medical history of Burmah, and the Statistics
of disease, are obtainable from the Office of the Deputy
Inspector General of Hospitals of the Division at
Rangoon; and such papers as my Office may af-
ford, should there be any not available in the
records there, will be supplied.

I have the honor to be

Order thereon 8th October 1861 N^o 1392.

The Report on the
Progress of the
years 1857-58 to 1859-60, pub-
lished as a selection from
the Records of the Govern-
ment of India, is the only
paper among the records
of the Madras Government
connected with British Bur-
mah. A copy of that se-
lection will be forwarded
to the Principal Inspector
General, Medical Depart-
ment, for transmission, if it be
useful to the Inspector General
of Hospitals.

As the Local
Administration
