---

Mr. Charles Hodgson, was employed in the Municipal Commissioners Department, as an Inspector of Conservancy for a period of 18 months, during which he gave every satisfaction. Mr. Hodgson's character is unexceptionable, and his qualifications are of a high order. He is well up in surveying, levelling and plan drawing, he is a good accountant, and writes a good hand and as he is a man of strict intigrity, I have no hesitation in recommending him as well fitted for the appointment of Surveyor or Overseer of works. He leaves the M. C. D. with a view to bettering his condition in life.

Mr Hodgson Surveyor has been Actg Draughtsman for me for a few Months at Nellore in preparing the Government Plans &c. I can therefore not speak of his special work. As a Draughtsman he shows promise & is neat, he seems steady & as a rule regular in attendance

But he came to Nellore just as the sickly weather & Cholera set in, & besides losing a child he & his family suffered in health which interfered with his regularity.

If his health holds out I have the impression that he will make a neat & dependable workman in whatever he undertakes, & will in time work rapidly.

To,

J. Sycroft Esq.
Chief Secretary to Government

Sir,

I beg respectfully to address you these few lines, & solicit the favor of your submitting for the kind consideration of the Government, my present unemployed state, (having been compelled to relinquish the Office of Surveyor in the N. I. & C. Co. the duties of which exposed me to the Buddapa heat which prostrated me with a violent attack of Fever, that reluctantly obliged me to resign my appointment, to seek me of an in-door, & somewhat sedentary nature).

But the obstacle which now presents itself in seeking an employ under the Government, augments my distresses, & makes me solicit an exemption from the operation of the Uncovenanted Service Rules.

I enclose Copies of a few of my Testimonials, & Certificates, with a view of gaining your confidence, that the subjects prescribed for the Civil Service test, are not foreign to my attainments (which the enclosed I trust will amply testify) nor are they obstacles to be surmounted, being in their nature preliminary to

to the ground work of my attain-
ments; but as the Uncovenanted
Service Rules suspend me for Six
Months, (to the next Examination season)
my distresses would doubly augment,
& leave me little or no means of re
covering myself.

Under these circumstances, I beg
to submit my case for your kind
& better judgment, & venture to so-
licit an exemption from the Uncove-
nanted Service Examination, which
kind aid will further this my ob-
ject, & work the interests of my grow-
ing family.

With Sentiments of respect
I am
Your most Obt. Servt.
