To
J. Pycroft Esq.
Chief Secretary to Government
Sir,

I respectfully beg that you will
be pleased to lay before His Excellency
the Governor in Council the following
circumstances for his consideration.

My employment under Govern-
ment dates from 15th March 1854 and my
total period of service is 5 years and 1 month
as will be seen below.

Rev. Board Office - from 15th March to 30th Nov. 54 - 8^{1/2} mths
Govt. Office P. D. - 1st Dec. 54 to 30th Nov. 55 - 1 year
Print Com. Office - 17th March 56 to 31st July 59 - 3-1

In all these various departments
I endeavoured to the utmost of my ability
to afford satisfaction to my several employ-
ers and the enclosed certificates will I
trust bear me out in this statement.

Consequent on the abolition of
the Print Committee Office, where I
was last employed, I lost my situation
in common with others on that establish-
ment, and since that date I have not
been in Government employ.

It

It will be observed from the statement given above, that the only break in my service was between the 1st December 1855 and 17th March 1856, on which latter date I obtained an appointment in the Print Committee Office, but I trust that as under the Unconvenanted Service Rules Public Servants are permitted Descent towards Pension their entire period of service under Government provided that they have not been out of employ for longer than one year, this circumstance may not militate against me in again seeking for readmission therein.

I would respectfully beg that under the circumstances above detailed, which show 1st that I have been in Public Employ for a period of 5 years, 2^d that during that time I afforded my superiors satisfaction in the discharge of my duties, and 3^d that only in consequence of the abolition of the late Print Committee Office I lost my employment, I may be exempted from the Unconvenanted Service Examination Rules, and allowed without reference thereto to seek for re-employment in any of the Public Offices at the Presidency.

186/8
I need hardly add in conclusion that in the event of His Excellency the Governor in Council acceding to my request, a great boon would be conferred upon me, for which I shall ever feel grateful.

Bishop's Lane, I beg to remain,
Vepery, Sir
26 January 1861. Your most obedient servant,
John Brock.
