PUBLIC DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from B. GUNLIFFE, Esq., Collector of Madras; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Saidápet, 16th September 1861, No. 41.

I have the honor to forward the Statement, called for by Government in their Proceedings of the 12th April last, No. 515, of lands and premises purchased on account of Government at and near Madras within the last 10 years.

2. The lands purchased for Railway and Municipal purposes have not been included in the accompanying Statement, except a few small tracts at Madras, originally purchased for Railway purposes, but not so used.

3. The Statement would have been submitted earlier, but for certain information required from the Government Solicitor regarding Home's Garden, which was furnished to me only on the 11th instant.

ORDER THEREON, 28th October 1861, No. 1,459.

In compliance with the requisition of Government under date the 12th April 1861, the Collector of Madras submits a statement of the lands and premises at and near Madras which have been purchased on account of Government during the last ten years.

2. The Government see no necessity for selling any of the lands, at least for the present.

3. No. 2.—That part of the land around Home's Garden which is not required for the Collector's Office should (as at present) be rented for cultivation on yearly leases.

4. No. 19.—As the Sapper Militia no longer exist, the Collector will, after communication with other Departments, report for what purpose the ground occupied by the Lines may now be made available.

5. No. 21.—Landon's Garden is not included in the list. It is, however, at present in the occupation of the Judge Advocate General. When vacated, it will be considered whether it may together with the "exercising ground" referred to, be sold.
