Submitted to Government with a request
that the usual Treasury order may be granted in
favor of the Private Secretary to His Excellency the
Governor for Rupees 87-15 ~~in~~ the pay of the
Artificers attached to the Government House for
August and September 1861.

2 The Treasury order for the salary of the
Artificers from May to July 1861, was received with
the Proceedings of Government in the Public Department
dated 7th August 1861. N^o 1149.

dated 29th October 1861
N^o. 2430.

It is observed from para. 12 of the letter from the Accountant General that the pay of the Artificers employed at the Government House has been drawn out of the Supplementary Budget forwarded by this Office and taken into that of the Private Secretary, and therefore it is suggested that similar applications should in future be made by that Officer, and the amount paid over by him to the District Engineer Presidency for disbursement to the parties concerned.
