Sir,

I have the honor to request that another supply of double foolscap paper, like same as the last, may be forwarded to me at Bangalore as soon as practicable, the Superintendent of the Wesleyan Mission Press having just reported that he has not quite enough in hand to complete the 800 copies of the Criminal Procedure Code, now being printed.

I would respectfully suggest that the paper might be safely sent packed in tin canisters instead of in a heavy wooden case, and would also recommend that it be forwarded through the Mail Cart Carrying Company (who convey it by railway to Tripatore) as much more expeditious, and not more expensive, than Bullock Carriage.

I have the honor to be

Sir

Your most obedient servant,
