Gentlemen. With reference to your letter of the 2^d Instant. enclosing an open letter to the address of the Chief Secretary to Government containing an offer to Government of Monast. House for a residence of the Chaplain at this station, and requesting my opinion regarding the same. I have the honor to state that situated as the house in question is adjoining the Church, with a gate opening into the Church compound, none other could be found here more suitable for a parsonage than it.

There is considerable extent of lands for a Compound, of probably from 8 to 10 Acres planted with Cocanut and Mango Trees. The House consisting of two Bungalows, with out houses & stables, appears to me to be substantially built and in tolerable good order. With regard to the price asked for the House and ground viz. Rs. 4000 I don't feel qualified to give an opinion. I have no doubt that should Government consent to become the purchaser of the property, a competent person will be sent out to inspect and value the same, together with the cost of putting it into perfect repair.

I have the honor to be Sir
/ Signed / J. H. Broddard, Captain
