My Dear Sir 7/9/60

I am sorry I cannot give you any positive information regarding Ramachandran simply because I do not recollect if in 1856 any office allowance was allotted to Resident Divisions or whether the Office Establishment was paid out of the Estimates.

Of the former Ramchandra Rao was certainly paid out of the same. He was not my private Writer but Writer of the 2nd Division Bellare and Cuddalore to this I can Certify and also that he was paid by Government & I fancy this is all you require.

I recollect him very well, he was a very sharp lad and I hope what I have been able to state above will be sufficient to enable him to obtain what he requires.

Believe me

Yours very truly

necessary that some one should be at once appointed as

one and have no one who is fit and available for the
appointment I have advertised the appointment
in the Fort Saint George Gazette but have received

appointed.
