At a meeting of the Covenanted Civil Service at Allahabad, Present —

- W. Muir, Esq.
- C. B. Thornhill, Esq.
- THE HON'BLE R. DRUMMOND.
- E. C. Bayley, Esq.
- J. R. Best, Esq.
- W. H. Lowe, Esq.
- W. Johnston, Esq.
- L. C. Probyn, Esq.

It was resolved—I. That as the measures proposed by the Right Hon'ble the Secretary of State will largely affect the professional prospects of the Covenanted Civil Service, and endanger the stability of the Civil Service and Civil Annuity Funds, it is therefore expedient to petition both Houses of Parliament to guarantee the stability of the above Funds, and to grant such other compensation as may appear to them good and expedient.

II. That the following gentlemen be appointed a Committee, to draft a petition urging the above points, and to arrange for its presentation to Parliament in concurrence with the members of the service, and to carry out the objects of this meeting generally, viz:—

- W. Muir, Esq.
- C. B. Thornhill, Esq.
- S. L. Lushington, Esq.
- W. H. Lowe, Esq.
- L. C. Probyn, Esq.
- L. C. PROBYN,
Secretary.
