PUBLIC WORKS DEPARTMENT.
Public.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from J. McKENNA, Esq., M.D., Deputy Inspector General of Hospitals Presidency, in charge of Office of Principal Inspector General, Medical Department, Fort Saint George, to T. PYCROFT, Esq., Chief Secretary to Government, dated 3rd May 1861, No. 76 :—

SIR,

With reference to the Order of Government, Public Works Department, No. 591, dated 23rd March last, I have the honor to acquaint you for the information of Government, that the Medical Storekeeper having been called upon to report on the present arrangement of landing and shipping of Stores states, "that although the present arrangement is in all other respects preferable to the one heretofore in force, it does not prevent the injury and loss arising from the careless and reckless manner in which the boatmen throw over the packages from their boats on to the shore; from the moment that the packages are on shore and come into the charge of the Marine Department, every requisite care appears to be taken of them. I know of no means to prevent these practices, except that of setting up shears here and there on the beach near to the surf, so that the boats with their lading could come up close enough to have the packages taken out by tackle assisted by guide-ropes, or guys."

ORDER THEREON, 14th May 1861, No. 930.

1. The Government have already addressed the Government of India on the subject under date 30th April 1861, (No. 885), and there is nothing in the present paper that needs to be specially reported to them.
2. A copy of the letter will however be communicated to the Master Attendant through the Superintendent of Marine, who will consider the suggestion made by the Medical Storekeeper for the safe landing of the Medical Stores.

(True Extract.)

Secretary to Government.

To the Superintendent of Marine.

- " Inspector General, Medical Department.
- " Public Department.
