Proceedings of the Madras Government, Public Department,
11th March 1864.

No. 84. Read the following letter from the Directors of the Monegar Choultry.
(Here enter 17th February 1864.)

No. 85. ORDER THEREON, 11th March 1864, No. 306.

The total expenditure incurred during 1863, on account of the Monegar Choultry and the Institutions connected with it, as shown by this report, amounted to Rupees 22,355-10-3, or Rupees 2291-4-6 less than that of the preceding year, and the actual receipts from all sources during the same period to Rupees 23,623-9-8, leaving a balance of Rupees 3095-4-2 at credit of the Charity on the 31st December 1863. Assuming that the wants of the poor inmates as regards food, clothing, and medical comforts were fully supplied, the Governor in Council considers the result of the past year's operations to be satisfactory.

2. The expenses of the Idiot Asylum amounted, as per Statement furnished, to Rupees 6709-14-6. Deducting therefrom Rupees 4000, advanced to the Institution under the general authority conveyed in Proceedings of the 26th March 1860, No. 438, the Governor in Council directs that the balance, viz., Rupees (2709-14-6) two thousand seven hundred and nine, Annas fourteen and Picé six, be disbursed to the Directors.

3. The Governor in Council notices with pleasure the very liberal contribution, Rupees 600, made by Narasimloo Puntoloo towards the objects of the Charity, and he hopes that the example thus set will be imitated by others of the wealthier class of the Native community.

4. Resolved that the Report, with the Treasurer's Account Current with the Monegar Choultry for the year 1863, be published in the *Fort Saint George Gazette*, and that the thanks of Government be tendered to the Directors for the interest they have taken during the past year in the management of the affairs of the Institution.

General Observations

1 The hospital has not undergone any alterations or repairs during the year under report. It should however be mentioned that the place has badly needed the latter very much. The roof leaks in many wards and in almost every ward & the walls generally require lime & white washing. This work has, I am informed, been sanctioned, but I cannot help regretting the delay that has taken place in its execution.—

2 The Inspector General during his last inspection took Special note of the Privy System in force here, and a most objectionable system it is. As in every instance where wet instead of dry conservancy is practised, the excreta become a source of danger, as well as annoyance; not only to the patients who use the necessaries, but to the people in the neighbourhood of the cesspits into which the liquified offal flows. I therefore beg to urge the early introduction into this institution of the Bengal plan of

7. The net decrease under this head is Rupees 1040-10-5- This is chiefly owing to Cloths not having been purchased for the Paupers in the Chumbly - the old Cloths having been mended and brought into use by which a saving of Rs 631-7-7-

was effected. Only 70 Rs having been expended during the year
slight repairs to the buildings whereas in the previous year
larger sum was expended as noted in the margin. This decre
includes Rs. 255 for a candy of Cotton which is an extra item
not in the last years expenditure, because Weaving was not
then introduced into the Establishment. Its success may
be shewn by the fact that we have now 110 Women's Cloths
and 30 Men's Cloths ready at the disposal of the Institution
valued at the present selling price Rupees 260-0-0

I would also respectfully ask the Directors to get the Waste Ground on the South of the Foundling Asylum enclosed in with a Mud wall and a large well sunk, so that it may be converted into a Garden as I am given to understand that the small portion on the North side is to be enclosed for the use of the Lepers.

5. The receipts from all sources, during the year, as marginally noted, and as will be seen from the Treasurer's Account Current, amounted in the aggregate to Rs. 23,623-9-8. The balance at the Madras Bank at the commencement of the year was Rupees 1,926-6-11 forming an aggregate sum of Rupees 25,550-0-7.
