FROM

W. HUDLESTON, Esq.,
Acting Secretary to the Government of Fort Saint George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I am directed by His Excellency the Governor in Council to acknowledge the receipt of Mr. Principal Assistant Secretary Peachey's letter of the 28th April last, No. 2174, and with reference to the inquiry contained in paragraph 2, to state that, according to the latest accounts received, the sum of Rupees 950 is raised annually for the expenses of the Goodaloor Dispensary by local subscriptions, the amount contributed by Government being Rupees 600, the salary of the Medical Subordinate.

2. It was, however, proposed at the Meeting, from the Minutes of which it appeared that Rupees 950 was then subscribed, to raise not less than Rupees 1400 per annum, for the necessary expenses of the Institution; and the Governor in Council has no doubt that this proposal has been carried into effect.

FORT SAINT GEORGE,
3rd October 1865.

I have the honor to be,

Sir,
Your most obedient Servant,

Acting Secretary to Government.

Proceedings of the Madras Government, Financial Department,

15th May 1865.

No. 34. Read the following letter from T. PEACHEY, Esq., Principal Assistant Secretary, for Secretary to the Government of India, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Fort William, 28th April 1865, No. 2174.

With reference to your letter, No. 157, dated 14th March 1865, forwarding four Statements of charges on account of salaries, establishments, and contingencies, sanctioned by the Madras Government, within the amount of the Budget grants, during January 1865, I am directed

to state that orders on the charges entered in the Revenue Department's Statement will be deferred till receipt of the report on Mr. Pelly's scheme of revision of establishments. As the items are large, it is hoped that the report will be submitted on an early date.

2. With reference to the charge of Rupees (50) fifty a month, for an Assistant Apothecary for the Dispensary at Goodaloor, I am to inquire what proportion it bears to the remaining expenses of the Dispensary, which are to be defrayed from local subscriptions.

3. The details of the establishment, amounting to Rupees (248) two hundred and forty-eight monthly, authorized for the Jail at Vellore, should be reported. The allusion in the column of remarks to an establishment "for the proposed Convict Prison" at Vellore, as additional to that for a Central Jail at that station, is not clearly apprehended. Is it intended to have a Central Prison for aged and infirm prisoners, and a Convict Prison for long term prisoners, each provided necessarily with a separate establishment?

4. The remaining items in the four Statements are sanctioned.

Ordered that a copy of the foregoing be sent to the Deputy Auditor and Accountant General, and Civil Paymaster, Madras.

No. 35. ORDER THEREON, 15th May 1865, No. 245.

Communicated to the Revenue, Public, Judicial, and Ecclesiastical Departments.
