Indent Department.

The Superintendent of Stationery having brought to the notice of this Department the large and urgent demands made for Printing Paper, I have the honor to request you will be so good as to move the Home Government to expedite the supply of Printing Paper required for use during the official year 1866-67, to obviate the necessity of purchases being effected in the local market, at enhanced prices.

2. In the last bi-monthly Return of Stores under provision for the Stationery Department, "March 1866" is entered as the probable date of despatch of the consignments of paper indented for by the Stationery Depot.

3. If practicable, I beg that arrangements may be made for the earlier transmission of the supplies from England, that they may arrive here in sufficient time to meet demands.
