*Proceedings of the Madras Government, Public Department,
11th October 1865.*

Read the following papers:—

No. 49. From W. M. CADELL, Esq., Collector of South Canara, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Mangalore, 31st August 1865, No. 42.

I have the honor to forward, for the favorable consideration and orders of Government, a letter to my address from Messrs. McMinn & Co., Merchants of this place, requesting that Government will be pleased to provide this station with a gun for signal purposes, and also for keeping the time uniformly.

2. I beg also to be permitted to state that the request made by Messrs. McMinn & Co. is heartily concurred in by the Colonel Commanding the station, as also by all the residents; and if the Government will be pleased to grant us the use of a 9-Pounder Iron Gun, Lieutenant Thompson, of the Royal Artillery, has kindly undertaken to have the same kept in good order. All expenses attended on firing the signals, &c., will be cheerfully borne by the residents of the station.

From Messrs. McMinn & Co. to W. M. CADELL, Esq., Collector of South Canara; dated Mangalore, 4th August 1865.

We have the honor to address you regarding a want greatly felt at this port, in the hope that it may be supplied before the busy season commences. We allude to the want of a signal gun. As you are aware, from the position of the Bunder, residents have at present no means of ascertaining the arrivals of the Steamers, and much inconvenience has been felt in consequence.

2. There will be, this season, an average of 14 Steamers a month, calling here. Their stay at this port is but short; and it would be a great convenience to the entire community if signal guns could be fired when the Steamers come in sight, thus giving time for intending passengers to hold themselves in readiness.

3. Trusting you will give this matter your attention. We are, &c.

(Signed) W. M. CADELL,
Collector.

No. 50. From Colonel J. L. BARROW, Deputy Inspector General of Ordnance and Magazines, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated 10th October 1865, No. 157.

Ordnance Department

I have the honor to acknowledge the receipt of Memorandum, No. 349, dated 8th September 1865, and in returning the enclosures therewith received, to state that there are no Iron Guns available in the Ordnance Depot at Cannanore; but, if Government approve of the measure, a 6 Pounder Iron Gun (sufficient for the purpose) can be despatched from Madras, to meet the request submitted by Messrs. McMinn & Co., Mangalore, through the Collector of the District, for a gun to notify the arrival of Steamers, and "keeping the time uniformly" at the station.

No. 51. ORDER THEREON, 11th October 1865, No. 1056.

The Government approve the arrangement proposed by Colonel Barrow, and request him to carry it out.
