*Proceedings of the Madras Government, Public Department,
20th October 1865.*

No. 110. Read the following letter from the Supervisor Government Press, to the Chief Secretary to Government, Fort Saint George; dated 16th October 1865.

I have the honor, in forwarding the enclosed letter (in original) and bill from the Deputy Superintendent Government Press, for carriage hire for the month of September, to state that Mr. Morgan's presence at the Press at extraordinary hours has been absolutely necessary, and will, as long as the present pressure in the Press lasts, continue to be so; and that I have no doubt that the allowance claimed only represents the actual expense to which Mr. Morgan has been put by the extra work thrown upon him.

2. I have the honor to request that the payment of the bill for Rupees 55 may be sanctioned.

From the Deputy Superintendent Government Printing Establishment, to the Superintendent Government Printing Establishment, Fort Saint George; dated Madras, 16th October 1865.

Herewith a bill of costs incurred by me for extra carriage hire during the past month. As you know, I have been at office early and late to superintend the working of the Job Department, and I trust you will therefore recommend the bill may be paid.

2. The following shews the amount of work executed during the month, and that with our principal machine away for repair. I have included the Gazette, because, for the greater part of two days in the week, the machines are occupied by it.

Job Department... 540 jobs, 9,000 pages, 24,30,000 impressions.

Gazettes.....	8	515	„	1,05,000	„
	548	9,515		25,35,000	

3. In the Binding Department, 316 volumes have been bound; 1,492 stiff covered half cloth; 2,667 ordinary stiff cover; and 216 full colored wrapper; a total of 4,691 books. 30,316 sheets have been machine ruled during the month.

Submitted for orders, and recommended for favorable consideration.
