Proceedings of the Madras Government, Public Department,
26th October 1865.

No. 140. Read the following Proceedings of the Board of Revenue, dated 16th October 1865, No. 6567.

Read letter from the Collector of Trichinopoly, to the Acting Secretary to the Board of Revenue; dated 18th September 1865, No. 194.

In obedience to the Board's instructions conveyed in their Miscellaneous Circular, No. LXXXV, dated the 19th of July last, calling on me to explain why the new forms of Registers A. and B., annexed to their Miscellaneous Circular No. XXI, dated the 19th of March 1863, were not adopted, I have the honor to state that I was absent from the District, on sick leave in England, when the last mentioned Circular was communicated from the Board's office. I have, however, made the necessary inquiry, but am unable to trace the neglect to any particular individual in the office. I am of opinion that the omission referred to is the result of an oversight on the part of the establishment. I have warned them against similar mistakes recurring.

2. The required returns are under preparation, and I shall transmit the same to the Government Astronomer in a day or two hence.

Submitted for the information of Government, with reference to the concluding part of paragraph 1 of their Order, dated 4th July 1865, No. 704.

(A true Copy and Extract).

(Signed) R. A. DALYELL,
Acting Secretary.
