*Proceedings of the Madras Government, Public Department,
26th October 1865.*

No. 144. Read the following letter from the Acting Deputy Accountant General, to the Chief Secretary to Government, Fort Saint George; dated 14th October 1865, No. 127.

Post Audit Department.

I have the honor to draw your attention to the fact that the duties of the Examiner of Claims are confined to the pre-audit of bills payable at the Bank of Madras. There can, therefore, be no need to send to him such Orders as Government Order, No. 993, dated 23rd ultimo, while it is absolutely necessary to forward them for my guidance.

2. Dr. Murray omitted to mention, in his application, that he had already asked me whether the special allowance for the charge of Negapatam would be forfeited, if he took Military Pay and Allowance in lieu of all Civil allowances. It was granted long since (see Government Order, 1303, dated 22nd December 1849) as a compensation for "additional labor and expense"; but he was told that, if His Excellency were pleased to grant him actual net travelling expenses, no objection would be raised to passing them. I fear that, under the present orders, the allowance for "additional labor and expense" can only be continued under sanction of Government of India.

No. 145. ORDER THEREON, 26th October 1865, No. 1123.

The Government observe that the allowance of Rupees 40 was granted, as the Regulation allowance, to a Zillah Surgeon, for an additional Medical charge of a distant out-station.

See page 387, Military Pay and Audit Regulations.

2. They desire to know whether this regulation allowance has been abrogated by any subsequent order, and what amount of travelling allowance the Accountant General is prepared to pass.

3. Dr. Murray will report how often he visited Negapatam in the last 12 months, and to what his attention is directed on the occasion of his visit, and for what professional purposes his visits to Negapatam are now intended.
