No. 152. Read the following letter from the Superintendent, Government Central Museum, to the Chief Secretary to Government, Fort Saint George; dated Madras, 26th October 1865, No. 197.

At a late Auction Sale, I obtained for the Museum an Oertling's balance, in good order, at about one-tenth of the original cost in England. Some of the weights, however, are deficient, but I have ascertained from Lieutenant Colonel Wilkieson, the Mint Master, that there are spare weights, of the kind wanted, in the Mint, which he can transfer to the Museum, if authorized to do so by Government.

2. May I, therefore, request you will be good enough to solicit Government to pass the necessary order for the transfer to the Museum of such weights as are required to complete the set.

No. 153. ORDER THEREON, 28th October 1865, No. 1134.

The Mint Master is authorized to transfer to the Government Central Museum the spare weights referred to.
