Proceedings of the Madras Government, Public Department,

28th October 1865.

No. 154. Read the following letter from the Superintendent of Gas Works, Fort Saint George, to the Chief Secretary to Government, Fort Saint George; dated Madras, 23rd October 1865, No. 55.

Certain repairs are urgently required to be executed at the Gas Works. These are necessary, in consequence of the bad materials employed in their construction by Mr. Tonkin, as pointed out in my report to Government, dated 10th April 1865, No. 20, paragraph 6. The cost of these repairs will be, so far as I can

* Estimate attached.

estimate, 500* Rupees. I am unable to meet this expenditure out of the current income of Rupees 250 allowed by Government.

2. Government, in its Order, No. 348, dated 18th March 1862, sanctioned an outlay of Rupees 2000. Of this sum Rupees 1500† have been already advanced;

† Government Order, 15th July 1862.....	Rs. 500
Do. 10th October 1862.....	500
Do. 13th May 1863.....	500

I have the honor, therefore, to request you will be kind enough to obtain sanction for a further advance to me of Rupees 500 on account of the repairs required.

From the Superintendent Gun-Carriage Manufactory, to the Superintendent of Gas Works, Fort Saint George; dated Madras, 16th June 1865, No. 600.

With reference to your letter, dated 17th April 1865, I have the honor to inform you that the probable cost of making up a Lime Purifier and a Hydraulic Main, described in your letter, will be Rupees 440-3-5 if made of iron, and Rupees 1371-6-3 if made of copper.
