No. 26. Read the following letter from E. G. R. FANE, Esq., Collector of Madras, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Saidapet, 8th August 1865, No. 127.

In the Zemindary Village of Adyar, in the Saidapet Taluq, a piece of land to the extent of seven grounds and one thousand five hundred and ten square feet, is required for the new Guindy Water Works. The owner, Muttusami Mudali, refuses to part with it for less than 35 Rupees per ground; but I consider this demand exorbitant, as land generally sells in the neighbourhood for Rupees 17-8-0 per ground, and the other individuals whose lands are also required for the water works have sold their land at that rate. I, therefore, beg to recommend that the land in question, a specification for which is annexed, be taken under Act VI of 1857.

2. As the work is important, I beg the Government sanction may be obtained at once.

SPECIFICATION.

A piece of land, consisting of seven grounds and one thousand five hundred and ten square feet, situated in the village of Adyar, and belonging to Adyar Muttusami Mudali, bounded on the North by the Adyar; South, by a road leading to Saint Thomas' Mount; East, by the said Muttusami Mudali's garden; and West, by the hedge of the same garden.

No. 27. ORDER THEREON, 5th September 1865, No. 920.

Hindrances having been found to exist to the immediate acquisition of the land referred to in the annexed Declaration by purchase from the parties interested therein, the Governor in Council resolves, under the Provisions of Section 2 of Act No. VI of 1857, to order that the said land be taken possession of on the part of Government, and applied to the purpose for which it is needed, leaving claims for compensation for the land to be determined as provided in the said Act, and, further, to appoint the Collector of Madras to carry this order into execution, and to execute any award, and to do all things necessary for completing the business of taking and paying for the said land, and for settling all disputes concerning it.

(True Extract).

Chief Secretary.

To the Collector of Madras, with Plan.

Under the provisions of Section 2 of Act No. VI of 1857, the Governor in Council of Fort Saint George hereby declares that all that piece of land situate in the Village of Adyar and belonging to Adyar Muttusami Mudali—bounded on the North by the Adyar; on the South, by a road leading to Saint Thomas' Mount; on the East, by Muttusami Mudali's garden; and on the West, by the hedge of the same garden; containing, by a recent admeasurement, seven grounds, and one thousand five hundred and ten square feet, be the same little more or less, and being the piece of land particularly delineated and described in the annexed plan—is needed and required for a public purpose, and shall be taken by Government at the public expense.
