*Proceedings of the Madras Government, Public Works Department,
2nd September 1865.*

No. 32. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Coonoor, 24th August 1865, No. 104 :—

SIR,

In G. O. No. 1,199 of 26th April 1864, sanction was accorded to an estimate of Rupees 236 for new flooring to the Civil Dispensary at Coimbatore, to be provided with funds after 1st May 1864, when application was required to be made on its account. My list in which I entered the work accordingly, was disposed of in G. O. No. 1,934 of 4th July 1864, stating that funds were not available, and the work was consequently postponed to the current year. I have now the honor to request permission of Government to appropriate Rupees 236 for the work from balance of the Minor New Works allotment of Rupees 500 under Civil Buildings in Coimbatore District. I trust that the restrictions of G. O. No. 1,239 of 8th May 1865 may not be applied to this work; not only that Dispensary funds are not available for it, but also that the Range Officer undertook the work under instructions received from me previous to receipt of the G. O.

No. 32. ORDER THEREON, 2nd September 1865, No. 2,559.

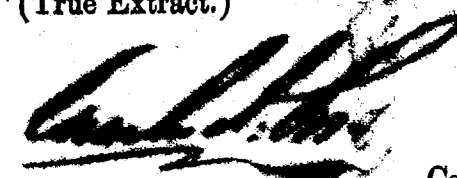

ACCOUNT, No. 4.

* Estimate Rupees 236.

As it appears from this letter that there are no Dispensary funds available, the Government, as a special case, approve of the cost* of the new flooring to the Civil Dispensary at Coimbatore

being provided from the source indicated by the Superintending Engineer.
