*Proceedings of the Madras Government, Public Department,
8th September 1865.*

No. 42. Read the following letter from the Visiting Members of the Monegar Choultry, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated 1st July 1865.

We have the honor to submit, for the sanction of Government, the accompanying Rules for the management of the Monegar Choultry, and of the several branches of the Institution.

2. We beg to state that Rules were originally framed for the management of the Monegar Choultry in the year 1808.

* Vide letter Public Department, 16th July 1803.

They were submitted to Government and duly sanctioned*; and in 1819 the Rules were revised and received the sanction† of Government on the 30th October in

that year. And in 1835, the Rules were again revised; but the alterations having consisted of only verbal corrections, and the transpositions of a few paragraphs, it was not deemed necessary to trouble Government. A printed copy of these Rules is herewith submitted, which have been acted upon, as far as practicable, up to the present time, now nearly 30 years.

3. At a special Meeting of the Committee, held on the 5th October 1864, a Sub-Committee was appointed to revise and modify the existing Rules, the necessity of which had forced itself upon the Members of the Committee. The Rules now submitted for sanction have been, in a great measure, framed on the old Rules; but at the same time, it was found necessary to alter them in some respects, and to add others to adapt them to present circumstances, in consequence of new Institutions having been grafted upon the Monegar Choultry.

4. We beg to add that the Rules now submitted have been circulated to the Members of the Committee, and were finally adopted at a special Meeting on the 12th April 1865.

No. 43. ORDER THEREON, 8th September 1865, No. 931.

The Governor in Council approves generally of the Revised Rules submitted with the foregoing letter. The Revised Rules appear to have been framed on the old Rules, such changes and additions being introduced as are rendered necessary by the affiliation of new Institutions dependent on the charity, and more detailed instructions being given as to the accounts and returns to be submitted by the Surgeon and Superintendent.

2. It is observed that Rule No. 5 of the old Rules, under the head *Superintendent*, restricting the admission "to paupers who are, from age, blindness, or bodily infirmity, unable to earn their livelihood," is omitted in the revised Rules. The Governor in Council is of opinion that this restrictive rule should be retained in the revised rules; if, however, the Committee omitted the rule in question, after due consideration, they will explain their reasons for so doing.

*Notes of the old Rules under the
Head Superintendent's restrictions*

8th September 1865.

3: By the 6th of the old Rules under the same head, "all paupers bringing an order from a Director" were to be admitted: this is altered by Rule 9, Revised Rules, under the head *Superintendent*, to "all native paupers" shall be received "bringing an order from a Member of the Committee, a Magistrate," and certain others. There appears to be no objection to this alteration, but the Committee should alter the words "a Magistrate" in this paragraph, and the words "one of the Magistrates," in Rule 2 under the head *Foundling Asylum*, and substitute, in each case, the words, "one of the Magistrates for the Town of Madras."

4. The new rules regarding the Idiots' Foundling Asylum require no remarks, with the exception of Rule 6 under the first head, the last Clause of which seems to require explanation: from the wording it is not evident whether "after his idiocy" means "after the coming on of insanity," or "after recovery from insanity;" neither is the object in sending the bills, referred to, to the Heads of Departments, evident, unless the course to be adopted, in consequence, by the Officers in question, be clearly defined.

5. The Committee will, therefore, re-submit the Revised Rules with the alterations and explanations above adverted to, on receipt of which the Governor in Council will be prepared to pass final orders.

(Received 1st July 1865 No. 938)

Order thereon 8th July 1865 No. 931.

The Governor in Council approves generally of the Revised Rules submitted with the foregoing letter. The Revised Rules appear to have been framed on the old Rules, such changes and additions being introduced as are rendered necessary by the affiliation of new Institutions dependant on the Charity, and more detailed instructions being given as to the accounts and returns to be submitted by the Surgeon and Superintendent.

2 It is observed that Rule No. 5 of the old Rules under the Head Superintendent restricting

the admission to paupers who
are from age, blindness, or bodily
infirmity, unable to earn their liveli-
hood is omitted in the revised
Rules; the Governor in Council
is of opinion that this restric-
tive rule should be retained in
the revised rules if however the
Committee omitted the rule in
question, after due consideration,
they will explain their reasons
for so doing.

3 By ~~para~~ ^{the} 6 of the old
Rules under the same Head
"all paupers bringing an order
from a Director" were to be
admitted: this is altered by
rule 9 Revised Rules, under the
head "Superintendent to all native
paupers" shall be received bring-
ing an order from a member of
the Committee, a Magistrate and
certain others: there appears to be
no objections to this alteration,
but the Committee will alter the
words "a Magistrate" in this para,
and the words "one of the Magis-
trates" in ^{rule} ~~para~~ 2 under the Head
"Foundling asylum", and substitute
in

in each, the words "one of the Ma-
gistrates for the Town of Madras".
4. The new rules regarding
the Idiots Foundling asylum require
no remarks, with the exception
of ~~the~~ Rule under the first head,
the last clause of which seems
to require explanation from the
wording it is not evident whether
"after his Idiocy" means "after
the coming on of Insanity" or
"after recovery from Insanity",
neither is the object in sending
the B.M. referred to, to the Head
of departments, evident, unless
the course to be adopted in Con-
sequence by the Officers in question,
be clearly defined.

5 The Committee will
therefore resubmit the Revised
Rules with the alterations, and
explanations above adverted to,
on receipt of which the Governor
in Council will be prepared to
