*Proceedings of the Madras Government, Public Department,
3rd November 1865.*

From the Deputy Inspector General of Hospitals, Southern Division, to the Secretary to the Principal Inspector General, Medical Department, Fort Saint George; dated Trichinopoly, 25th August 1865, No. 1264.

In acknowledging the receipt of your letter, No. 2972, dated 21st instant, I have the honor to report that, in obedience to the instructions it conveyed, orders have been sent to have 1st Dresser, T. Chellumbrum Pillay, No. 182, relieved from duty at once, and that a 3rd Class Hospital Assistant has this day proceeded to do duty in the Sub-Collector's Department.

2. With regard to the explanation required of me, I have to state that the Dresser was not retained on duty by me nor did I consider that any special orders on the subject were requisite, deeming the Gazette sufficient authority for his at once resigning office.

3. As I had not a Dresser at my disposal at the time (only two inexperienced Hospital Assistants) I took no notice of the matter, till I received a letter from the Collector requesting that a Dresser might be sent in room of Chellumbrum Pillay, pensioned. A man had then been appointed, who, I supposed would shortly join; and as it appeared the Dresser was required chiefly for the Negapatam Dispensary, to which an Assistant Apothecary was attached, I did not see the immediate necessity for re-placing Chellumbrum Pillay, who was pensioned at his own request according to G. O. G., No. 241 of the 27th June 1865, and was not considered ineffective.

4. The order in Gazette should have been worded "to take effect from the date of relief."

From the Secretary to the Principal Inspector General, Medical Department, Fort Saint George, to the Deputy Inspector General of Hospitals, Southern Division; dated Fort Saint George, 29th August 1865, No. 3081.

With reference to your letter, No. 1264, dated 25th instant, I am desired by the Principal Inspector General again to inform you that it was your duty to have relieved 1st Dresser T. Chellumbrum Pillay, No. 182, from duty on the date from which he was ordered to be pensioned. The Dresser could not resign office (as you observe) on the order in the Gazette, without being relieved or receiving instructions from you that you did not consider it necessary to relieve him.

2. The Principal Inspector General further directs me to communicate his disapproval of paragraph 4 of your letter, in which you express your opinion on what the wording of a General Order of Government should have been.
