GENERAL RULES.

- I.—The Exhibition will be held on the Site of the Railway Station.
- II.—The Exhibition will open on the 26th of December, and close on the 2nd of January.
- III.—No articles of any description purchased during the Exhibition will be removed before its close, without the permission of the Committee.
- IV.—No articles of any kind admitted to compete for prizes will be removed before the close of the Exhibition, without the special sanction of the Committee.
- V.—Every facility will be given to parties to effect sales, but the Committee will exact a fee of 2½ per cent. upon all sales, for the benefit of the Exhibition Fund.

VI.—The prices of tickets will be as follows :—

			Rs.	A.	P.
Season Ticket	..	..	4	0	0
1st Day	..	...	3	0	0
Last Day	..	..	1	0	0
Remaining Days	..	..	0	4	0

- VII.—The probable cost of carriage to Nagpore should be added to the invoice price of all articles intended for sale.
- VIII.—Unless a prize is specially mentioned as being for the Central Provinces alone, it will be open to all parts of India and Ceylon.
- IX.—Each prize-holder will receive a certificate on Parchment, stating the amount of prize, cause of award, &c. Bronze medals will also be given for special excellence in any class.

X.—Intending contributors are requested to send in by the 15th of November a list of their proposed contributions to the Secretary, in the accompanying Form.

XI.—Every possible precaution will be taken for the safe custody of articles during the Exhibition; but it would be advisable that contributors should more particularly, in the case of articles of value, forward them under charge of an attendant. Articles for different departments should not be placed in the same packing case. Particular attention is requested to this, else great confusion will result.

XII.—No articles specified in Numbers II, III, IV, V, VI, IX, X, XI, XII, Classes under Section A, Department III, will be returned, unless the owners specially appoint some one to apply for, and receive them at the close of the Exhibition; and all unclaimed articles belonging to the above classes will be disposed of as the Committee best think fit.

RULES REGARDING LIVESTOCK.

I.—No livestock will be received after the 23rd of December.

II.—A ticket giving the following particulars in English and the Vernacular must accompany all livestock :—

CLASS.	Name.	Price, if for sale.	Name, Village, and District of Exhibitor.	REMARKS.

III.—The Committee cannot undertake to feed any livestock exhibited, but they will make arrangements for the supply of all materials necessary for feeding purposes, &c.

IV.—All livestock must be removed from the yard within three days from the closing of the Exhibition.

RULES REGARDING MACHINERY AND AGRICULTURAL IMPLEMENTS.

I.—All cases containing machinery are to have marked on the outside, in large letters, the following particulars :—

Number of Department, Section and Class, and Name and residence of Sender.

II.—Each article of machinery and all agricultural implements are to have attached to them a ticket giving the following particulars both in English and Vernacular :—

CLASS.	Name.	To what use applied.	Price, if for sale.	Dimensions or weight.	Name and residence of Exhibitor.	Name and residence of Maker.	REMARKS.

III.—Intending exhibitors of machinery are requested to make application for space before the 1st of November.

X.—Intending contributors are requested to send in by the 15th of November a list of their proposed contributions to the Secretary, in the accompanying Form.

XI.—Every possible precaution will be taken for the safe custody of articles during the Exhibition; but it would be advisable that contributors should more particularly, in the case of articles of value, forward them under charge of an attendant. Articles for different departments should not be placed in the same packing case. Particular attention is requested to this, else great confusion will result.

XII.—No articles specified in Numbers II, III, IV, V, VI, IX, X, XI, XII, Classes under Section A, Department III, will be returned, unless the owners specially appoint some one to apply for, and receive them at the close of the Exhibition; and all unclaimed articles belonging to the above classes will be disposed of as the Committee best think fit.

RULES REGARDING LIVESTOCK.

III.—Intending exhibitors of machinery are requested to make application for space before the 1st of November.

DAIRY AND RAW PRODUCE, AND MANUFACTURES.

- I.—Dairy produce will not be received until the 25th of December.
- II.—All samples of agricultural and raw produce will be received between the 16th November and 16th of December.
- III.—All produce and manufactures intended to compete for prizes to be *bonâ fide* made or grown in India or Ceylon.
- IV.—All manufactures and articles of produce exhibited to compete for prizes must be accompanied by a certificate, that they have been grown or made by the Exhibitor, or under his directions.
- V.—All samples of produce must be sent in boxes of the following dimensions: 10 inches by 4, and 3 in depth. The boxes should have sliding lids.
- VI.—Each box to have a label on the outside, showing the Department and Class of article, and name and residence of Sender.
- VII.—Every box containing an article of manufacture or raw produce, &c., in addition to the outside label mentioned in Rule VI, is to have in the inside a list giving the following particulars:—

Section and Class.	Name.	To what use applied.	Price, if for sale.	Name and residence of Exhibitor.	Maker or Producer.	REMARKS.

Form stated in Rule X of the General Rules.
