FROMA. J. ARBUTHNOT, Esq.,
*Chief Secretary to the Government of Fort Saint George,***TO**THE SECRETARY TO THE GOVERNMENT OF INDIA,
HOME DEPARTMENT.

SIR,

With reference to your letter of the 13th September last, No. 1906, intimating that no expenditure should be incurred from the public revenues for the collection of articles for the Industrial Exhibition proposed to be held in Paris in 1867, pending the receipt of a reply to a reference which has been made on the subject to the Secretary of State, I am directed to submit, for the consideration of His Excellency the Viceroy and Governor General in Council, the annexed copy of a letter, under date the 10th instant, from the Secretary to the Central Committee for the Paris Exhibition at Madras, applying for an advance of Rupees 3000 to enable the Local Committees to make purchases, and to request that, under the circumstances stated, and adverting to the Despatch received by the Bombay Mail from the Secretary of State, the Madras Government may be authorized to comply with the Committee's application.

I have the honor to be,

Sir,

Your most obedient Servant,

FORT SAINT GEORGE,
15th November 1865.*Chief Secretary.*

From the Secretary to the Central Committee, Paris Exhibition, to the Chief Secretary to Government, Fort Saint George; dated Madras, 10th November 1865.

I am directed by the Central Committee, Paris Exhibition, 1867, to inform you that several applications for funds have been received from up-country Committees, to enable them to commence operations. The Central Committee feel that to reply to these applications by stating that no funds can be remitted must inevitably damp the zeal of the Local Committees. Mr. Lecot, the French Consul, has very obligingly offered to advance this Committee such sums as may for the present be required, pending receipt of the reply from the Secretary of State to the reference made by the Government of India, regarding the grant proposed by the Madras Government. The Committee trust, however, that they may be relieved of the necessity of availing themselves of Mr. Lecot's kind offer; and I have now the honor to request you to be good enough to solicit from the Governor in Council a temporary grant of Rupees 3000, on account of advances, &c., for objects to be transmitted from Southern India to the Paris Exhibition of 1867.

2. I am further desired to request that Dr. George Bidie, Professor of Materia Medica at the Medical College, and the Reverend Thomas Bliss, of Bishop Corrie's School, may be invited to aid the Central Committee with their experience.
