Referring to the concluding part of paragraph 8 of the Order of Government, Public Department, No. 1016, dated 28th September 1865, stating that Hospital stoppages should be considered as assets of the Institution incurring the expenditure, I have the honor to inquire whether such stoppages are to be paid into the Bank to the credit of the Officer in charge of the Hospital, and to be entirely at his disposal, or whether they are to be paid into the Bank to the credit of Government, and shown in the accounts as a set off against the general expenses of that Institution.
