Proceedings of the Madras Government, Public Department,
29th November 1865.

No. 113. Read the following letter from the Municipal Commissioners for the Town of Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 23rd November 1865.

We have the honor to submit, for the consideration of the Governor in Council, a letter and plan received from the Quarter Master General of the Army, in which, by desire of His Excellency the Commander-in-Chief, he brings to our notice the unhealthy condition of a plot of ground, covered with huts, in close proximity to the Barracks and Hospital occupied by the 16th Regiment Native Infantry.

2. The cattle sheds are our property, and we have made arrangements for their removal to a site outside the Town wall.

3. We submit a supplemental plan, on a large scale, of the block of huts, which, although measuring 101 yards by 115 yards in dimensions, has no road wider than a foot path through it, and is entirely without drainage, and solicit the sanction of Government, under Section 99 of Act IX of 1865, to open two streets from north to south, and one from east to west, as marked in yellow.

From the Quarter Master General, to the Municipal Commissioners, Madras; dated Ootacamund, 12th September 1865, No. 520.

I am directed by His Excellency the Commander-in-Chief to request the Municipal Commissioners will be pleased to take the necessary measures for the preservation of cleanliness in the neighbourhood of the Barracks of the 16th Regiment N. I., in Black Town. The Medical Officer of the Regiment has reported the sanitary state of the place to be most prejudicial to the health of the Regiment. Endeavours have been made to ascertain whether the huts and ground in the neighbourhood noted in the Plan accompanying (marked*) might not be purchased by Government, but the sum asked is so large for ground and huts that the Commander-in-Chief cannot forward the proposal to Government, and he depends upon the Commissioners for meeting the difficulty as they best can.

No. 114. ORDER THEREON, 29th November 1865, No. 1222.

The Governor in Council authorizes the Municipal Commissioners to open two streets on the plot of ground referred to, as indicated by a yellow mark in the plan submitted. They will take the necessary steps for this purpose, conformably to the provisions of Section 99 of Act IX of 1865.
