Some friend forwarded to me, by the last Mail, the enclosed copy of the British Journal of Photography, with the view (apparently) of drawing my attention to the article in the right-hand column of page 452, which was marked at the head in red chalk.

2. The two publications referred to would be very desirable additions to the Museum Library, and I shall therefore esteem it a favor if you will move His Excellency the Governor in Council to apply to the Right Honorable the Secretary of State for a copy of each of these works, for the Library of the Government Central Museum.
