*Proceedings of the Madras Government, Public Department,
4th October 1866.*

No. 55. Read the following Proceedings of the Board of Revenue ; dated 18th September 1866, No. 6670.

Read letter from the Acting Deputy Accountant General, to the Secretary to the Board of Revenue ; dated 21st August 1866, No. 2288.

Vide Government Proceedings, No. 113, dated 1st February last.

2. The above Proceedings forwarded to you the Government of India's confirmation to the entertainment of extra Clerks in the Death Registration Department, and called for report after the lapse of a year. The Collector of Ganjam now asks what he is to do about these men for the future, and the question should have been earlier raised by other Collectors, who entertained the said Clerks sooner. I have the honor to ask whether you have moved Government to extend that sanction at all, as, otherwise, it has already expired all over the Presidency.

3. An early reply is requested.

The Board observe that, on receipt of the Orders of Government, dated 1st February 1866, No. 113, communicating the decision of the Government of India

on the Establishments to be allowed for the registration of deaths, the Collectors were directed to report, after the lapse

of one year, on the amount of work done by the two Clerks employed for the purpose, and the necessity for their retention. The experimental year expired in July last, and only a few Collectors have as yet furnished the report. A reminder has been sent to the other Districts, to expedite its submission ; but, as some delay is likely to occur before the question is finally settled, the Board resolve to request Government to extend the sanction for the year ending July 1867, to avoid retrenchments by the Accountant General. The Board's report on the working of the Establishment will be submitted to Government, as soon as the replies of the Collectors are complete.
