*Proceedings of the Madras Government, Public Department,
31st January 1866.*

No. 112. Read the following Proceedings of Government in the Military Department, dated 24th January 1866, No. 310.

Communicating papers relative to the salary to be passed to Surgeon Majors holding Presidency appointments, the salaries of which are consolidated. (Vide Proceedings, Military Department, dated 24th Jan. 1866, Nos. 548—550.)

No. 113. To the Secretary to the Government of India, Foreign Department, dated Fort Saint George, 31st January 1866, No. 102.

With reference to the enclosed correspondence, I am directed to inquire whether it is intended that Medical Officers of the rank of Surgeon Major holding the Civil Medical appointment of District Surgeon at the Presidency, the consolidated salary of which is Rupees 1000 per mensem, shall, instead, draw the pay of their Military rank, viz., Rupees 1093 per mensem.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Proceedings of the Madras Government,
Public Department.

Stating that Surgeon Major Porteous is not entitled to draw a higher salary than that assigned to the appointment of District Surgeon, for the period from 1st January to 19th March 1865. } Here enter 6th December 1865, No. 1253.

Referred to the Controller of Military Accounts for report, on the statement in the latter clause of paragraph 3 of the letter, recorded in these Proceedings.

14th December 1865.

Report from the Controller of Military Accounts, Fort Saint George, 4th January 1866, C; to the Secretary to Government, Military Department.

I have the honor to return the Proceedings of Government, Public Department, dated 6th December 1865, No. 1253, referred under your docket of the 14th

Dated 22nd December 1865, No. 4643. idem for report, on the statement in the latter clause of paragraph 3 of the letter

recorded therein, and to forward a communication from the Examiner Pay Department, reporting that he has passed the full pay of his rank to the Medical Store-

Pro. of Govt., 16th Aug. 1865, No. 3033. keeper at the Presidency, under the ruling conveyed in letter from the Government of India, dated 26th July 1865, No. 574.

2. As the Government of India has decided that the Garrison Surgeon, notwithstanding that his salary is consolidated at Rupees 1,000, is entitled by his standing to the pay of his grade, (if higher than the consolidated salary) and as Surgeon Major Barclay holds a precisely similar position—an appointment on a consolidated salary of Rupees 1,000 in the Military Department—the Examiner has, I conceive, correctly passed the pay of Surgeon Major Barclay's grade to that officer.

3. It appears to be the intention of the Secretary of State and of the Government of India, that Medical Officers employed in the Military Department at least should in all cases draw not less than the pay of their grade, although this intention was not deducible from the earlier orders on the subject.

From the Examiner Pay Department, Fort Saint George, 22nd December 1865, No. 4643; to the Controller of Military Accounts.

With reference to docket from the Military Secretary to Government, forwarding an Order of Government, in the Public Department, No. 1253, dated 6th December 1865, and calling for report on the statement made in the latter part of paragraph 3 of letter from the Examiner of Claims, I have the honor to inform you, that the full pay of his rank of Surgeon Major has been passed by this office to the Medical Store-keeper at the Presidency, under the sanction conveyed in letter from the Government of India, recorded in Proceedings of Government, No. 3033, 16th August 1865. If payable to the Garrison Surgeon in receipt of a consolidated salary of Rs. 1,000, it is presumed, it could not be withheld from the Medical Store-keeper occupying a precisely analogous position.

ORDER, No. 310, 24th January 1866.

Ordered that the foregoing Report from the Controller of Military Accounts, be communicated to the Public Department, with the remark that the Examiner of

Claims appears to have over-looked the decision of the Government of India, recorded in Military Proceedings, No. 3033, dated 16th August 1865, a copy of which was furnished to the Public Department, for information.
