To

THE UNDER SECRETARY OF STATE FOR INDIA.

SIR,

I am directed by the Governor in Council to transmit the accompanying emergent Indent for stationery required for the use of the Paper Stamp Department of the Mint, and to request that, with the permission of the Right Honorable the Secretary of State for India, orders may be issued for its despatch to this Presidency at as early a date as practicable.

I have the honor to be,

Sir,

Your most obedient Servant,

FORT SAINT GEORGE,
22nd August 1867.

Acting Chief Secretary.

Ed. J. H. Burns.

Proceedings of the Madras Government, Public Department,
10th October 1866.

No. 93. Read the following letter from the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 5th October 1866, No. 229.

Post Audit Department.

In forwarding the papers noted in the margin, the undersigned has the honor to say that the case is not stated with sufficient clearness. If the Inspector of Police was really so ill that professional attendance was absolutely necessary, the claim to travelling allowance may be good against Government, and no objection could be raised to its being fixed at a mileage rate as in other cases. If, however, the illness of his children was the cause of the deputation, the claim is bad, for the Supreme Government has already ruled (Financial Department, 28th June 1860, No. 5734), that "the State has no responsibility in reference to the families of Officers, nor is it bound to appoint Medical Officers to attend them, even though they pay;" and in that case Government, therefore, refused to grant travelling allowance to a Medical Officer who had actually travelled to see a sick child. The papers are sent on instead of being returned for clearer statement, because they will probably elicit general orders; any order will be forwarded, in continuation of former orders, to the Supreme Government, whose new scheme of rules may or may not provide for such cases.

MEMORANDUM.

Submitted for the favorable consideration of the Principal Inspector General.

(Signed) J. A. REYNOLDS,
Deputy Inspector General, S. D.

TRICHINOPOLY,
25th September 1866.

From the Principal Inspector General, Medical Department, to the Chief Secretary to Government, Judicial Department, Fort Saint George; dated Fort Saint George, 2nd October 1866, No. 362.

Through the Accountant General.

I have the honor to forward the accompanying letter* from the Zillah Surgeon of Madura, and to recommend that travelling batta may be passed to the Dresser at the rate of 4 Annas a mile.

2. I beg to request that the mileage of 4 Annas, authorized for Medical Subordinates when called to examine corpses or wounded persons, may be extended to them also when ordered by their superior Officers to visit the sick and dying, at a distance from the station or on other legitimate duty.

From the Zillah Surgeon, Madura, to the Deputy Inspector General of Hospitals, Southern Division, dated Madura, 19th September 1866, No. 66.

About the 26th of July last I received a letter from the Superintendent of Police, saying, that Mr. Godfrey, an European Inspector of Police, was, together with two of his children, very sick at Ramnad of "bilious fever," and as there was then neither a Dresser or medicine at Ramnad, he begged me to send some of the latter thither at once.

Proceedings of the Madras Government, Public Department.

10th October 1866.

2. Feeling how impossible it was to prescribe on this scanty information, I directed 3rd Class Hospital Assistant J. Martin, No. 683, attached to the Police, to go to Ramnad, at the same time telling him to go quickly and that he would get his travelling batta.

3. This J. Martin did, and as soon as his patient had recovered, returned to Madara, and a bill was then presented for Rupees 34, at the rate of 4 Annas per mile, in accordance with the spirit of G. O., 3rd October 1865, No. 1420, and G. O., 22nd June 1863, No. 983. These orders, however, are considered by the Accountant General not to apply in this, and he directs that special orders of Government should be applied for.

4. I observe that in the first named of the above G. O., it is ordered that Dressers shall receive travelling batta at the rate of 4 Annas per mile, when required to travel more than five miles for the purpose of examining corpses of wounded persons; I, therefore, respectfully submit that the duty on which I sent this subordinate was quite as legitimate and imperative as any of the above named objects, and demanded quite as much rapidity in travelling.

5. I have, therefore, the honor to request you to apply to Government for sanction of travelling batta to J. Martin, 3rd Class Hospital Assistant, at the rate of 4 Annas, on the occasion of his late visit to Ramnad.

No. 94.

ORDER THEREON, 10th October 1866, No. 1034.

As it is explicitly stated that the Inspector was himself very ill, the mileage allowance is sanctioned.
