To

HIS EXCELLENCY THE RIGHT HONORABLE THE GOVERNOR IN COUNCIL,
Madras.

The humble application of R. RAMA
ROW, a Goomastah in the Taluq Cutch-
erry at Chingleput, Madras District,

MOST RESPECTFULLY SHEWETH,

That the applicant was at first employed as a Salt Nesinda (Clerk) on the 17th November 1853, and then as a Taluq Goomastah, which he held till the 15th October 1860, when, in consequence of the general reduction of the Revenue Department by Mr. Pelly, his services, which had thus stood for about 7 years, were dispensed with. From that period, the applicant was earnestly watching an opportunity to re-enter the Government Service till 27th November 1864, when he was again entertained in that Service, and ever since held it. Thus, it will appear that he has served the Government for about 10 years, with an interval of about 4 years, during which he was deprived of the Government service, not owing to any fault on his part, but at the accord of Government during the abovesaid general reduction.

2. But the applicant applied to the Collector of the District, on the 19th instant, for admission to the ensuing Special Test Examination, which application was, to the applicant's regret, returned to him by that Officer, with an endorsement that he should pass the General Test Examination.

3. The applicant understands that the Government have rightly taken into benevolent consideration the cases of such candidates as the applicant, and exempt them from the General Test Examination, and ordered their admission to the Special Test, and he, for the reasons stated in the preceding paragraph, humbly begs to pray that the Government may extend the same clemency to the applicant, and order the Collector to admit him to the ensuing Special Test Examination. For this act of kindness the applicant shall ever pray.

CHINGLEPUT, 26th June 1867.

(Signed) ரமராவ குமாஸ்தா.

Referred to the Collector for report.

2. It is observed that public servants who were in Government employ, in situations requiring a knowledge of reading and writing, in January 1859, and have been in continuous employ since that time, are exempted from passing the General Test, and that, in cases in which the service since 1859 has been broken through no fault of the servant, but by reduction or abolition of establishment, the Government are prepared to treat such cases specially, if the Head of the Department is of opinion that it is desirable to do so.

By order,

No. 182. From the Acting Collector of Madras, to the Acting Chief Secretary to Government, Fort Saint George; dated Sydapet, 13th August 1867, No. 164.

In returning the Government endorsement on Petition No. 1593 of 1867, presented by Rama Row, a Goomastah in the Chingleput Taluq, I have the honor to state that the Acting Sub-Collector has examined the petitioner, and found him quite qualified to act as a Goomastah. He is able to read and write correctly and well and, as a special case, there is no objection to his being exempted from passing the General Test, as he was employed previous to 1859, and was thrown out of employ during the late reduction of establishment.

2. He was subsequently re-entertained as a Goomastah, which post he now continues to hold.

No. 183. ORDER THEREON, 23rd August 1867, No. 1041.

The Governor in Council is pleased, as a special case, to exempt Rama Row, Goomastah in the Chingleput Taluq, from passing the Uncovenanted Civil Service examination, General Test.

*Proceedings of the Madras Government, Public Department,

Read the following papers :—

No. 103. From Lieutenant Colonel J. TEMPLE, President of the Municipal Commission, Madras, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 26th September 1866.

I have the honor respectfully to solicit the permission of Government to resign the appointment of President of the Municipal Commission.

2. Mr. Burke, late Inspector of Nuisances, in his petition to Government, dated 20th August, complained generally of harsh and unjust treatment by the Municipal Commissioners, in summarily discharging him for statements made by him in the Town Police Court, relative to one of their body, and also charged me, in particular, with connivance at malpractices.

3. The accusation against myself I thought it beneath me to notice, but the Government, under date 19th September, have been pleased to declare so explicitly that Mr. Burke's conduct towards the Commissioners subsequent to his dismissal was the ground of their non-interference, that I am compelled to the conclusion that, in the opinion of Government, Mr. Burke's complaints, as well against myself in particular, as against the Commissioners generally, had some foundation. I, therefore, feel it better to withdraw from an office in which I have ceased to enjoy the confidence of Government.

No. 104. From the Honorary Members of the Madras Municipal Commission, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 26th September 1866.

We have learnt with the deepest regret that Lieutenant Colonel J. Temple, the President of the Municipal Commission, of which we are Honorary Members, has submitted his resignation of that office to Government.

2. We bear the highest and most unqualified testimony to Colonel Temple's services, which have always been most zealous and valuable, and to his labors, which have been most indefatigable and praiseworthy ; while his duties have been onerous and trying, requiring much temper, discretion, and judgment, all of which Colonel Temple possesses in an eminent degree ; and it is, therefore, our earnest hope that Government may see fit to remove from Colonel Temple's mind the impression that he has, in any way, lost their confidence, and to secure to the Commission, and the public generally, the continuance of his services.

No. 105. ORDER THEREON, 11th October 1866, No. 1041.

The Government fully concur with the Honorary Members of the Madras Municipal Commission, in their estimation of Colonel Temple's services as their President, and regret that, under a misconception of the Government Order of 19th ultimo, he should have tendered his resignation of an office which he has so ably and zealously filled.

2. That Order was simply to the effect that the conduct of Mr. Burke, after his removal from his Inspectorship, had been such as altogether to preclude the Government from entering upon the consideration of the grounds of his dismissal, since that conduct alone must form an insuperable bar to his re-employment under the Commission.

it

*Proceedings of the Madras Government, Public Department,

3. It was certainly not meant to be implied, nor do the Government consider, that any of Mr. Burke's imputations on Colonel Temple had any foundation whatever. Colonel Temple has in no degree forfeited the confidence of Government, and they would regret extremely to lose his services, under a misconception such as that which he appears to have entertained.
