*Proceedings of the Madras Government, Public Department,
23rd August 1867.*

No. 184. Read the following letter from G. VANS AGNEW, Esq., Acting Magistrate, Trichinopoly, to the Acting Chief Secretary to Government, Fort Saint George; dated Lalgooty, 13th August 1867, No. 43.

In elucidation of their Order of the 7th instant, No. 964, Public Department, I have the honor to ask the Government—

1. Whether it is legal for a President to correspond, ordinarily, without the knowledge and consent of the Commissioners?
2. Whether, if he does so correspond, what he may write is binding on the Commissioners?
3. Whether the President may legally refuse to give effect to a vote passed at a Meeting by a majority of the Commissioners?
4. Whether, as Magistrate, the President has authority to over-ride a vote so passed, and to act contrary thereto in the name of the Commissioners?

2. If the Government will reply in the affirmative to each of these questions, I am willing to admit that, as an individual and a Magistrate, I deserved their censure; but, if the Government are not prepared to reply otherwise than in the negative, I must with all respect, but in simple justice to myself, again venture to appeal to the Government to withdraw the censure passed upon me in their Order of the 17th July, No. 843.

No. 185. ORDER THEREON, 23rd August 1867, No. 1042.

The Governor in Council desires that Mr. Agnew will consider the orders, dated 17th July, final, and that he will not trouble the Government with any further correspondence on this subject.

Proceedings of the Madras Government, Public Department,
12th October 1866.

No. 106. Read the following letter from the Magistrate of Cuddapah, to the Chief Secretary to Government, Fort Saint George; dated Cuddapah, 2nd October 1866, No. 38.

Adverting to Government Order* dated 9th May 1866, I have the honor to submit a Draft Notification, prepared in
No. 471. the prescribed form, of the resolution of

Government to extend the provisions of the Towns' Improvement Act to Cuddapah, setting forth :—

1stly.—The proposed limits of the Municipality of the Town of Cuddapah.

2ndly.—The names of the proposed Municipal Commissioners.

3rdly.—The number and description of the Police Force to be maintained, and the rates at which they are to be paid.

4thly.—The estimated amount to be raised for the purposes specified in Section 25 of the Act.

2. The Municipal limits were proposed after a careful consultation with the principal inhabitants, and are approved by the Superintendent of Police, the Civil Engineer in charge, and myself. They are as follows :—

North.—A line drawn from demarcation stone, 300 yards above the large Bridge across the Boogga, passing north of the villages, Alamaspett, Sayepett, across the supply channel to Patha Cuddapah Tank, up to Bridge (Calingula underneath) on Patha Cuddapah Road.

South.—By the Madras Railway.

East.—By a line drawn from the Bridge on the Patha Cuddapah Road, to the "Three Bungalows" (including School-house and Travellers' Bungalow, and Mutiala Sashoo's Choultry); from thence to line of Railway, including the Railway Station and all other Railway Buildings, as well as the house belonging to Mr. Elliot.

West.—By the Boogga River.

This includes an area of about $2\frac{1}{2}$ square miles, and contains an estimated population of 12,000, and includes the following towns, villages, suburbs, and bazaars :—

- | | |
|---------------------|-----------------------|
| 1. Agadipett. | 10. Gunta Bazar. |
| 2. Mochum Meahpett. | 11. Vecrasawmy Mundy. |
| 3. Gudumandi. | 12. Dhan Mundy. |
| 4. Dastageerpett. | 13. Mohabat Nagaram. |
| 5. Nakhash. | 14. Gaddi Bazar. |

| 8. Dargabazar. | 17. Tippareddipally. |
| 9. Newnham Bazar. | 18. Yerramukkapally. |

3. The names of the proposed Commissioners, as notified in the Appendix B, Government Proceedings, 9th May, are—

1. Mr. Samuel Marcar, Principal Sudder Ameen.
2. Lieutenant Henry William Holmes Cox, Superintendent of Police.
3. Mr. James William Saalfelt.
4. Mr. Alexander Cruickshank, Assistant Collector.
5. Mr. John Henry Andree.

6. Madras Iyasawmy Pillay, Native Surgeon.
7. Jambi Perumal Naiker.
8. Kasemsetty Narasannah.
9. Fakeer Saib.
10. Cazee Syed Mounaddin Saib.
11. Gandlur Muni Row, Sub-Magistrate of Cuddapah Town.
12. Yathalla Subbiah Chetty.

4. I have substituted the name of G. Muni Row, for K. Lutchminursu Pantulu, owing to the demise of the latter.

5. The number, description, and rates of the Police Force are that given in the Appendix B to the Proceedings of Government under reply, namely:—

1 3rd Class Inspector, at Rupees 115 per mensem.

4 Head Constables, at Rupees 22 each „

4 Deputy „ at „ 12½ „ „

18 1st Class „ at „ 8 „ „

34 2nd Class „ at „ 7 „ „

6. The statement of proposed expenditure, and the total annual amount to be raised for the purposes specified in Section 25 of the Act were prepared with much attention and care by a Select Committee, consisting of the following gentlemen:—

Alexander Cruickshank, Esq., Assistant Collector.

John Biggers, Esq., Civil Engineer.

Madras Iyasawmy Pillay, Native Surgeon.

7. The report of the Select Committee, touching upon the whole subject of the Act, the total amount of the expenditure and income for the year, was laid before a General Meeting (to which all the proposed Commissioners attended) on the 25th ultimo, and freely and fully discussed and adopted, with very slight modifications. During the discussion, the Police Establishment was considered large and expensive, as compared with other Districts. I trust, however, that, when the exact population is ascertained, this strength will be proportionably reduced.

8. At the Meeting held on the 8th September, it was unanimously agreed, for the first year, to raise funds by

1st.—A toll on entering Municipal limits.

2nd.—A rate on houses, shops, &c.

3rd.—A tax on Arts and Professions.

4th.—A tax on animals and vehicles, and registration fee on carts.

9. This being a large commercial town, it is confidently expected to realize a larger sum of tolls; the amount marked under this head is, I think, under the mark.

10. According to the Returns submitted, the value of houses within Municipal limits has been estimated at Rupees 5,71,400.—12 per cent. of this amount gives an annual rental of Rupees 68,568, and 7 per cent. of that amount will give Rupees 4799.

11. The houses of all the poor and laboring classes are carefully exempted.

12. The tax on Arts and Professions is calculated, as near as can be done, for the first year. The amount estimated to be realized from this source is, also, I am sure, low.

13. The total amount required for expenditure is Rupees 24,303, according to Clauses I and II of Section 27. The estimates of income amount to Rupees 18,310, which, with Government contribution of Rupees 6075, or 25 per cent., will make Rupees 24,385.

14. Thus, the total anticipated income exceeds the proposed expenditure by Rupees 82.

No. 107. ORDER THEREON, 12th October 1866, No. 1042.

In this letter, the Magistrate of Cuddapah submits his proposals for introducing the " Towns' Improvement Act, 1865," into the Town of Cuddapah.

3. The expenditure for the year is estimated at Rupees 24,303, of which Rupees 8837 is on account of the Police, and Rupees 3408 for Establishment. The latter charge is capable of reduction. The toll-bars and gate-keepers' stations should, for the present, be of a cheap and temporary character: the proposed expenditure of Rupees 2000 for this purpose, is clearly inexpedient. The savings effected in those items should be devoted to the conservancy of the town.

4. The charge for lighting, Rupees 500, falls under Section 29 of the Act.

5. The Act will be in operation only from the 1st proximo, to the 30th April next, and, during this period, the amount to be raised and expended, for the purposes specified in Section 25 of the Act, will be Rupees 11,902, of which Government will contribute Rupees 2975½.

6. Ordered that the following Notification be issued.
