Read again letter from the Principal Inspector General, Medical Department, dated 11th May, No. 169, and recorded in Proceedings of Government, dated 22nd September 1866, No. 959.

No. 108. ORDER THEREON, 13th October 1866, No. 1043.

In their Proceedings of the 22nd ultimo, No. 959, paragraph 5, the Government ordered that the building, there referred to, in Chintadrepettah, should be closed, both as a Dispensary and as a Vaccine Dépôt. Upon a re-perusal, however, of his letter of the 11th May preceding, paragraph 7, it appears to be the intention of the Principal Inspector General, Medical Department, that the building in question, while closed as a Dispensary, should be retained as a Vaccine Dépôt. This is accordingly now sanctioned.

*Proceedings of the Madras Government, Public Department,  
23rd August 1867.*

No. 186. Read the following letter from the President of the Municipal Commission, Cuddalore, to the Acting Chief Secretary to Government, Fort Saint George; dated Cuddalore, 13th August 1867, No. 46.

I have the honor to submit the name of Streelilamacumbi Desika Achary as a Municipal Commissioner for the town of Cuddalore, in lieu of Mootoosawmy Moodelly.

2. It is with reluctance that I make this proposal, but the utter disregard of his duties as Commissioner by Mootoosawmy Moodelly ever since the establishment of the Municipality, and his apparent want of interest in municipal affairs, leave me no alternative.

3. Mootoosawmy has attended only three bi-monthly Meetings since November 1866, and he has only attended two of the Appeal Committee Meetings appointed under Section 69 of the Act, although he has only been nominated to serve in alternate weeks. The very serious inconvenience thus occasioned to the public, and as well as to the other Commissioners, requires no comment.

4. Some time ago, I thought to remove Mootoosawmy Moodelly, consequent on his neglect of his municipal duties, but I was unwilling to do so as he is a man of some influence and status in Cuddalore; I, therefore, wrote to him, and I beg to enclose copy of my Memorandum, and of his answer, for the information of Government; and, although since then the Municipal Office has for the time been removed to New Town, close to Mootoosawmy's residence, he has taken no share in the work, nor has he been present at any of the bi-monthly Meetings. This want of co-operation and interest in municipal affairs sufficiently evidences the unfitness of Mootoosawmy to be continued in the post of Commissioner, and fully justifies my recommending that his name be removed; and, accordingly, I request that Government will sanction my nomination of Desika Achary in his stead, who is a highly respectable man, well acquainted with English, and holds the position of a Vakeel or Pleader in the Zillah Court.

No. 233.

OFFICIAL MEMORANDUM.

The Magistrate of South Arcot desires to ascertain from M. Mootoosawmy Moodelly if it is his wish to be nominated as one of the Town Commissioners. It is observed that, during the past six months, Mootoosawmy Moodelly has attended only three of the bi-monthly Meetings, and he has only twice attended the Appeal Meetings appointed under the Act since the 8th March. Of course, if all the Commissioners are equally indifferent to the working of the Act, and evidenced as little zeal and interest in the duties of a Commissioner, the Law would simply be inoperative and the Municipal Office might close. The Magistrate has no wish to exclude Mootoosawmy Moodelly from the Commission, but if he wish to remain on it, it will be an understood condition of his nomination that he fulfil the functions of a Commissioner better than he has done, and that he do attend the Meetings and Appeal Committees more frequently, and with greater punctuality than heretofore. On the other hand, should Mootoosawmy Moodelly wish no longer to serve, he will be good enough to send in his resignation at once, as the Magistrate is on the eve of submitting to Government a fresh list of Commissioners for the official year 1867-68, as required by the Act. An early acknowledgment of this is requested.

(Signed) C. W. READE,

Cuddalore, 18th May 1867.

Magistrate.

From S. MOOTOOSAWMY MOODELLY, Municipal Commissioner for the Town of Cuddalore, to the Magistrate of South Arcot; dated Munjacoopum, 25th May 1867, No. 278.

I have the honor to acknowledge the receipt of your Official Memorandum, No. 233, dated 18th May 1867, and, in reply, beg to inform you that, since some time back, I have not been in

Proceedings of the Madras Government, Public Department,

good health. I am, in consequence, undergoing a course of medical treatment, and have to continue it for some time longer. I am very thankful indeed for your kind expressions to retain my services in the Commission. While I am glad to serve as a Commissioner for the ensuing year, I beg, in consideration of my health, to be allowed for some time to attend to the Meetings as my health would permit me to do so. But, in the event of this not meeting with your approval, I beg you will be kindly pleased to accept of my resignation.

No. 187. ORDER THEREON, 23rd August 1867, No. 1043.

The appointment of Streasilamacumbi Desika Achary, vice Singary Mootosawmy Moodelliar, as Town Commissioner for the Municipality of Cuddalore, will be notified in the Fort Saint George Gazette.

2. It is to be regretted that the President did not accept Mootosawmy Moodelliar's resignation when tendered it in May last.

Official Minutes

The Minutes of the  
Santhi Mootosawmy Moodelliar  
have been read and approved  
if it is his wish to be  
nominated as one of the  
same Commissioners. It is  
stated that during the last

has attended only 3 of the bi-  
monthly meetings, and he  
has only twice attended the  
official meetings appointed  
under the Act since the 8<sup>th</sup>  
March. Of course if all the  
Commissioners are equally  
indifferent to the working  
of the Act, and evidenced as  
little zeal and interest in  
the duties of a Commissioner,  
the law would simply be  
imperative and the municipal  
office might stand still.

Magistrate has no wish to  
 exclude non-Commissioned  
 from the Commission, but  
 in the wish to remain in it  
 it will be an understood

 he will be the secretary  
 of a Commission. With this  
 he has done, and that he will

 appeal Committee more  
 frequently and with greater  
 frequency than before.  
 In the case of a man with  
 non-Commissioned with no  
 cause to serve, it will be

 resignation at once as the  
 Magistrate is on the road or  
 submitting to Government a  
 list of Commissioners for  
 the official year 1897-98 as  
 required in the Act. An early
