Proceedings of the Madras Government, Public Department,
16th October 1866.

No. 144. Read the following letter from the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 16th August 1866, No. 161.

Post Audit Department.

With reference to Proceedings of Government in the Public Department, No. 791, dated 7th instant, I have the honor to point out that there is a most important difference between the plan hitherto followed in the course of audit in this office, and that which, in the above Proceedings, Government appears to prescribe. Hitherto, an Officer claiming an allowance had to prove his right thereto; now the burden seems to be thrown on me of disproving his right. The objections to this course are so manifest that I can only suppose that Government saw in this particular case some circumstances to justify departure from the ordinary rule; but, in support of the claim, a precedent only could be quoted, unsupported by any general order, and directly contrary to the custom of other Presidencies and to the orders of the Government of India there in force, and I could have, therefore, no ground to suppose that a formal reference to Government was required.

2. I take the liberty, further, of drawing your attention to the fact that this appeal was not, in accordance with orders, submitted through me; that it was not even sent to me for remarks; that the higher authorities in the Medical Department did not even see fit to communicate to me their views, and the grounds of their views. I submit that their breach of rule should be pointed out to them, and venture to recommend that, in future, every appeal submitted direct be simply returned to the appellant, to be submitted according to the prescribed course.

No. 145. ORDER THEREON, 16th October 1866, No. 1063.

The Government do not understand the Accountant General's objections. The subject disposed of in G. O., 7th August, No. 791, needed no explanation from him; and the recommendation in paragraph 2 of this letter is wholly uncalled for.

Proceedings of the Madras Government, Public Department,

28th August 1867.

No. 222. Read the following letter from the President of the Municipal Commissions, North Arcot District, to the Chief Secretary to Government, Fort Saint George ; dated Chittoor, 6th April 1867, No. 24.

Under the authority conveyed in the Order of Government of the 7th and 22nd September 1866, Nos. 906 and 958, a sum of Rupees 543, being a moiety of the amount payable by Government on account of the Municipality of Wallajapet for the half-year ending 30th April 1867, was advanced in November last to the Municipality, to enable the Commissioners to meet the more immediate expenses connected with the introduction of the Act into that town. No collections have yet been made for the purposes of the Act in the town of Wallajapet, pending the receipt of the sanction of Government for which I have applied in my letter of the 26th ultimo, No. 543. As the said advance of Rupees 543 has been already expended, I have the honor to request that Government will be pleased to authorize me to make a further advance to the Wallajapet Municipality of Rupees 543, being the remaining moiety of the amount payable by Government for the half-year ending 30th April 1867.

No. 223.

ORDER THEREON, 28th August 1867, No. 1063.

To be recorded.
