*Proceedings of the Madras Government, Public Department,
2nd September 1867.*

No. 3. Read the following letter from the Officiating Under Secretary to the Government of India, to the Chief Secretary to Government, Fort Saint George; dated Simla, 14th August 1867, No. 3420.

Home Department.

I am directed to forward the papers marginally noted, viz., certain telegraph messages to which exception has been taken by the Officiating Director General, as service messages, and the explanation submitted.

Copies of two messages from Colonel Moberly.
Copy of letter from Captain Berkley, Acting Superintending Engineer, 1st Division, No. 94, dated, 19th July 1867.

2. I am directed to observe that this is precisely one of those cases at which the instructions of the Circular, No. 941, dated the 18th June 1864, were directed, and to request that it may be pointed out to Captain Berkley that messages relating to applications for leave are not directly connected with public duties, and that the Government of India has pointed this out so repeatedly that, in the opinion of the Governor General in Council, it is in the highest degree surprising that an Officer in Captain Berkley's position should be ignorant of the rule.

From Captain J. BERKLEY, R. E., Acting Superintending Engineer, 1st Division, to the Officiating Under Secretary to the Government of India; dated Camp Dowlaiswerum, 19th July 1867, No. 94.

In reply to your letter, No. 1867, under date the 29th June 1867, I have the honor to inform you that Colonel Moberly, R. E., Acting Superintending Engineer, 1st Division, when he sent the telegrams referred to, has left

the Division and gone to Europe. I do not understand why these telegrams should be considered "private," as both had immediate reference to the discharge of public duties in the Division. They are herewith returned.

Forwarded to the Public Works Department, for communication to Captain Berkley.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 1st May 1865.

Read the following Circular from Captain G. DANGERFIELD, Officiating Superintendent of Stationery, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Fort Saint George, 15th March 1865, No. 1,404:—

1. To enable me to carry out the Order of Government in their Proceedings in the Public Department, dated 7th February 1865, No. 153, for printed forms to be supplied to the several Public Departments from the Stationery Office, I have the honor to request you will be so good as to furnish me, at your earliest convenience, with a distinct form of each description of printed Return, Memorandum, or docket slip, which can conveniently be adopted for the Department under your control, to be lodged at this office as patterns.

2. The printed forms should be limited as far as possible to Foolscap size, common printing paper only being used for those which are intended for comparatively unimportant and transient use, whilst for correspondence and other more important forms, the best printing paper will be allowed. English writing paper is to be used for printed forms only under special circumstances, to be fully explained in the Indents; each printed form is to bear a separate number, and to be so distinguished in your Indents.

3. In submitting these forms, I have to request an expression of your opinion regarding the size and description of paper required, distinguishing those which are intended for comparatively unimportant and transient use from those which are required for more important purposes.

1. The Officiating Superintendent of Stationery will be informed that the Board do not require to be supplied with any printed forms from the Stationery Office. They have a small press of their own which is maintained from savings effected in their Establishment, and at this press blank memoranda and dockets of letters, with abstracts are printed whenever necessary.

2. The forms of Returns, Statement, &c., for the Board's Office and for supply to Collectors are annually printed in the Government Gazette Press, and this is found more convenient as every year slight alterations are required to be made in some of the returns with reference to the orders of the higher authorities. Under these circumstances, no forms can be sent to be lodged in the Stationery Office as patterns.

(A true Copy and Extract.)

(Signed) R. A. DALYELL,
Sub-Secretary.
