19th October 1866.

No. 156. Read the following letter from the Secretary to the Government of India, to the Chief Secretary to Government, Fort Saint George ; dated Simla, 2nd July 1866, No. 1007.

Foreign Department,
General.

With reference to your letter, dated 18th May last, No. 511, submitting copy of a further correspondence, relative to the franking of Service Letters by the French Agent at Calicut, I am directed by the Governor General in Council to state that the privilege, the continuance of which is applied for by the French Authorities, appears to have been enjoyed ever since 1852. It is true that it may have then been granted in an irregular manner by the Postmaster, Mr. Conolly, and that the exemption is inconsistent with the rules and principles of the Department ; nevertheless, having been enjoyed for so many years, His Excellency in Council does not deem it necessary or expedient now to withdraw it.
