ACCOUNTANT GENERAL'S OFFICE,

FORT SAINT GEORGE,

11th October 1866.

(Signed) W. DONALD,

Examiner of Claims.

To the Chief Secretary to Government, Fort Saint George.

From Assistant Surgeon G. BIDIE, M. B., in Medical charge Lunatic Asylum, to the Deputy Inspector General of Hospitals, Presidency; dated Madras, 27th September 1866, No. 277.

I have the honor to forward, herewith, a petition from the European Keeper of the Lunatic Asylum, begging that his pay may be increased. In doing so, I take the liberty of recommending that his request may be forwarded by you, through the Principal Inspector General, for the favorable consideration of Government, as, so far as my experience goes, he is a most attentive and useful attendant.

I quite concur with Dr. Bidie's request.

(Signed) H. W. PORTEOUS,

Depy. Insp. Genl. of Hospitals,

Presidency Division.

27th September 1866.

To G. BIDIE, Esq., M. B.,

Assistant Surgeon in Medical charge of the Lunatic Asylum.

SIR,

Your Petitioner, James Tomlin, begs to bring the following circumstances to your kind notice :—

1st.—Your Petitioner was entertained as a European Keeper in this Asylum in October 1859, on a salary of Rupees 35 per mensem, with a view of having free quarters furnished for me; but up to this time my prospects have been crossed. Some time previous to my entertainment, there were two European Keepers employed on a salary of 35 Rupees each per month.

2ndly.—The duties entrusted to me in the Asylum are of such a nature, that my services are indispensable; not only by day, but also by every alternate night, when having to sleep in the Asylum; my rest is constantly broken, in consequence of the frequent calls which I receive during the night.

3rdly.—I beg to state that I have to protect all Government property from receiving injury and destruction by the hands of the patients, and also to prevent the patients from injuring themselves or others.

4thly.—I have to see that each patient receives the due proportion of food that is allowed to them by Government; and besides this, all the Native servants employed in the Asylum, are under my superintendence.

5thly.—On each alternate Sunday evening, after the Native patients have taken their evening meal, I have permission to go home, and prepare myself for Church; and this is the only time I can leave the Asylum. The inconvenience of my living outside of the Asylum compound, when frequently the Lunatics become most outrageous and uncontrollable.

6thly.—The high charges of house-rent which I now have to pay, takes nearly one-third of my salary; this, together with the dearness of all kinds of provisions, makes it go very hard with me to support myself and family.

Mr. J.
