Proceedings of the Madras Government, Public Department,

3rd September 1867.

No. 19. Read the following letter from the President of the Municipal Commissions in Malabar, to the Acting Chief Secretary to Government, Fort Saint George ; dated Calicut, 24th August 1867, No. 99.

I have the honor to request that, on the principle laid down in Government Order, dated 7th September 1866, No. 906, paragraph 3, Government may be pleased to authorize the advance of the moiety of the Government contribution sanctioned for the Municipality of Cannanore, in their Order dated 24th June 1867, No. 727.

*Proceedings of the Madras Government, Public Department,
23rd October 1866.*

No. 173. Read the following Proceedings of Government in the Pension Department.

Read again Proceedings of Government, Pension Department, dated 11th December 1862, No. 392.

Read also the following letter from the Sub-Secretary to the Board of Revenue, to the Chief Secretary to Government, Fort Saint George; dated Madras, 21st September 1866, No. 6777.

I am directed by the Board of Revenue to request that paragraph 3 of the Order of Government, under date 11th December 1862, No. 392, may be modified.

2. In the said paragraph, Heads of Offices are instructed to accept applications for pension from servants who, from length of service, do not require to produce Medical Certificates of unfitness for further duty, and at once to proceed to appoint successors to the offices vacated by them. When, however, the Service Returns are scrutinized in the Audit Office, it often happens that the applicant is found to be short of the requisite service, and he then finds himself without either pension or appointment, and with but a small prospect of regaining the latter.

3. It is obvious that, under such a course of procedure, cases of great hardship to deserving individuals must frequently arise, and the Board would suggest that instructions be issued in the Pension Department, directing all Heads of Offices not to fill up *permanently* any office vacated by an applicant for pension, whether on Medical Certificate or otherwise, until the pension is granted. This course will not cause more inconvenience than would be occasioned by the applicant for pension taking leave, a contingency for which all offices must, of course, be able to provide.

Order, 13th October 1866, No. 332.

The Government observe that the Order requiring that posts vacated by applicants for pension shall be immediately filled up, the applicant being no longer borne on the Effective List, is only insisted upon in the cases in which Medical Certificate is required under the Rules.

2. There are, however, cases in which the Medical Certificate given may be objected to, and pension refused.

3. The Government are, therefore, pleased to direct that, as suggested in the letter of the Sub-Secretary to the Board of Revenue, on a post being vacated by an applicant for pension, such post shall not be permanently filled up until the final orders of Government passed upon the application shall have been received: during the interval intermediate between the application and receipt of the orders of Government, an incumbent shall be in each case appointed to act upon full pay.
