*Proceedings of the Madras Government, Public Department,
24th October 1866.*

No. 202. Read the following letter from the Collector of Madura, to the Chief Secretary to Government, Fort Saint George; dated Dindigul, 9th October 1866, No. 1708.

I have the honor to forward, for the information of Government, copy of a letter I have received from Mr. Reedy, Ceylon Emigration Agent, by which the Government will learn, I am sure, with much satisfaction, that the Ceylon Government have established Medical Establishments and Hospitals at the Ports in the Madura District used by the Emigration Agency, to afford medical aid to emigrants to Ceylon.

2. At times large numbers of coolies are collected at Paumben and Devipatam, both in going and returning, and frequently cholera has broken out amongst them, and caused many deaths. The establishments of Hospitals at those places will be attended with much benefit.

From T. J. REEDY, Esq., Ceylon Emigration Agent, to the Collector of Madura; dated Devipatam, 2nd October 1866.

I am happy to inform you Government have granted us a full Medical Establishment for the use of sick emigrants; hospitals to be established at Paumben and Devipatam.

2. I am sure you will be pleased to hear this, as it will confer much benefits on the inhabitants of these Districts.

3. We are allowed 3000 Rupees for Hospitals, &c. &c., and 500 Rupees monthly for the expense of Medical Assistant and Hospitals.

4. I trust this will enable us to fully relieve all that require medical aid to our ports of embarkation.

No. 203. ORDER THEREON, 24th October 1866, No. 1095.

The Governor in Council has learned with much satisfaction that the Ceylon Government have made arrangements at Paumben and Devipatam for the medical treatment, when necessary, of Indian emigrants proceeding to, or returning from, that Colony.
