No. 538. Read the following letter from the Chairman of the Hospital Committee, Ootacamund, to the Chief Secretary to Government, Fort Saint George, dated Ootacamund, 4th October 1866, No. 1,323:—

1. Having been led to believe that the Government has sanctioned the expenditure of a sum exceeding Rupees 3,000 for the erection of Dressers' quarters in connection with the projected new Hospital at this station, I have the honor, on the part of the Hospital Committee, to tender to Government the existing Hospital buildings for the object above stated, at the sum which has been sanctioned for it.

2. The Committee are led to make this tender under an assurance that the buildings are well adapted for the purpose in view, that they are in sufficiently close proximity to the new structure, and that, with these recommendations, they also present the advantage of saving the time that would be consumed in the construction of new quarters.

Referred to the Department Public Works, in order that the Superintending Engineer may be called upon to report on the proposal made in this letter.

(Signed) A. J. ARBUTHNOT,  
*Chief Secretary.*
