Proceedings of the Madras Government, Judicial Department,
28th August 1867.

Read the following papers :—

No. 337. From the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George ; dated Fort Saint George, 14th August 1867, No. 325.

I have the honor to report, for the information of Government, that, in reply to a claim by the Garrison Surgeon of Trichinopoly for the regulated allowance for " Civil stations," the Accountant General states in his letter, No. 610, of the 4th May last, that " it is not clear whether the Garrison Surgeons of Trichinopoly and Bellary are entitled to receive the extra allowance of Rupees 100 allowed by the " G. O. G. G., 4th April 1867, to a *Regimental Medical Officer* for medical charge " of a Civil station ; but there is nothing in that G. O. under which the Civil " allowance of Rupees 100 now drawn by you can be discontinued ; the question " had, however, better be referred to Government through the head of the Medical " Department, and their orders obtained both on this point, and also whether the " allowance for the Lunatic Asylum, whatever it may be when sanctioned, can be " drawn by you." I have, therefore, to solicit the orders of Government on these subjects.

No. 338. From the Acting Accountant General, Madras, to the Acting Chief Secretary to Government, Fort Saint George ; dated Fort Saint George ; 17th August 1867, No. 172.

Post Audit Department.

In forwarding for the consideration and orders of Government the accompanying letter from the Acting Garrison Surgeon of Trichinopoly, I have the honor

G. O. G. G., No. 370, dated 4th April 1867.

to state that the recent G. O., fixing the salaries of Medical appointments, provides for the grant of an allowance (the amount to be fixed by Government) to Medical Officers for the charge of Lunatic Asylums, and as the Garrison Surgeon at Trichinopoly has medical charge also of the Civil departments at that station, it is presumed that there can be no objection to the allowance for the Lunatic Asylum being drawn by him.

2. The allowance drawn by the Garrison Surgeons at Trichinopoly and Bellary for the medical charge of the

Rupees 100 at Trichinopoly, Rupees 65 at Bellary, with Rupees 50 each for the Civil Dispensary.

Civil departments is, I beg to add, still continued to them under the orders of

the Government of India, No. 3827, dated 14th December 1864.

From the Acting Garrison Surgeon, to the Deputy Inspector General of Hospitals, Indian Medical Department, Southern Division ; dated Trichinopoly, 26th July 1867, No. 7.

I have the honor to acknowledge the receipt of your Memorandum, No. 1390, of yesterday, endorsed upon Memorandum, No. 2741, of 22nd instant, from the Secretary to the Inspector General of the Department, directing me to submit my claim to an allowance for Medical charge of the Lunatic Asylum at this station.

2. Under the provisions of the recent order, in regard to revised salaries of the Indian Medical Service in the Civil department, Civil Surgeons are entitled to " an extra allowance for charge of Lunatic Asylums," the salary " to be fixed in the Civil department."

To,
The Chief Secretary
to Government,
Fort St. George.

Sir,

I have the honor to request that
payment of the amount (Rs 440. " ") of
the accompanying bill for press work
performed by Messrs. Ganig Brothers may

Proceedings of the Madras Government, Judicial Department,

28th August 1867.

3. Regimental and Garrison Surgeons in charge of Civil departments or stations are, it is presumed, entitled to the same allowance for such extra charge; but as this is not specifically stated it becomes necessary to refer the question; and I have, therefore, the honor to request that the Inspector General may be solicited to make this reference, and at the same time to obtain the expression of the opinion of Government upon the amount of the salary which is to be passed for the charge of the Asylum at this station.

MEMORANDUM.

Forwarded through the Accountant General for the orders of Government.

FORT SAINT GEORGE,
1st August 1867.

(Signed) W. MACKENZIE, M. D.,
Insp. Genl., Indian Medical Department.

No. 339. ORDER THEREON, 28th August 1867, No. 1394.

The Acting Accountant General forwards with his letter above recorded a letter from the Garrison Surgeon at Trichinopoly, submitting a claim to an allowance for the Medical charge of the Lunatic Asylum at that station, and inquiring whether Garrison Surgeons are entitled to the extra allowance of 100 Rupees which is allowed to Regimental Officers in charge of Civil stations.

2. The Government observe that the Garrison Surgeons at Trichinopoly and Bellary draw the sums of Rupees 100 and 65 respectively, for the medical charge of the Civil departments, besides a sum of Rupees 50 each for the Civil Dispensaries at those stations.

3. The Governor in Council is not prepared at present to grant the Garrison Surgeon at Trichinopoly a special allowance on account of the Lunatic Asylum at that station, which usually entails very little extra work, the number of inmates not exceeding three on the 16th May last, but directs that the Civil allowances which are drawn by that Officer, and the Garrison Surgeon at Bellary, be continued to them under the orders of the Government of India, No. 3827, dated 14th December 1864.
