Proceedings of the Madras Government, Public Department,
21st November 1866.

No. 141. Read the following letter from the Collector of Tanjore, to the Secretary to Government, Fort Saint George; dated Vallam, 13th November 1866, No. 1277.

With reference to the Proceedings of Government, dated 8th October 1866, No. 1023, ordering the introduction of the "Towns' Improvement Act" into five towns of this District, from the 1st November 1866, I have the honor to observe that a mistake appears to have been made in the calculation of the total expenditure on account of the Munnargoody Municipality, and the Government contributions payable thereto. The expenditure, as originally proposed by the Magistrate, was Rupees 6507, but the item allowed on account of the maintenance of the Police was

RS.	A	P.
2,437	8	0
2,329	0	0
108	8	0

afterwards raised by Government from Rupees 2329 to 2437-8-0; the difference between these two sums, viz., Rupees 108-8-0, must, therefore, be added on to

the proposed amount of Rupees 6507, which makes a total of Rupees 6615-8-0. The 25 per cent. of Government contributions will then be Rupees 1653-14-0, or Rupees 27-2-0 more than the amount already sanctioned in the Government Proceedings under reference. I request, therefore, that Government will be pleased to authorize me to make the necessary alterations as above specified.

No. 142. ORDER THEREON, 21st November 1866, No. 1199.

The Government admit the correctness of the calculations made by the Collector, of expenditure on account of the Munnargoody Municipality for the six months ending 30th April 1867, viz., Rupees 6615-8-0, of which the Government contribution will be Rupees 1653-14-0.

Sir,
With reference to the Proceedings
of Government dated 8th October 1866
No. 1023 ordering the introduction of
the "Towns Improvement Act" into
five towns of this District from the
1st November 1866, I have the honor to
observe that a mistake appears
to have been made in the calculation
of the total expenditure on account
of the Mamargudi Municipality,
and the Government contributions
payable there to. The expenditure
as originally proposed by the ellugis
was Rs 6,507, but the item alone
on account of the maintenance of the
Police was afterwards raised by
Government from Rs 2324 to 2437-8-⁰;
the difference between these two
sums viz. Rs 108-8-⁰ must therefore
be

Rs as per
2437-8-0
2329-0-0

108-8-0

be added on to the proposed amount
of Rupees 6,507, which makes a
total of Rs 6615-8-0. The ~~25 percent~~
of Government contributions will then
be Rs 1653-14-0 ~~Rs 1653-2-0~~ more
than the amount already sanctioned
in the Government Proceedings
under reference. I request therefore
that Government will be pleased
to authorize me to make the
necessary alterations as above
specified.

I have the honour to be
Sir

Your most obedient servant
