No. 143. Read the following letter from the President of the Municipal Commission, Tanjore, to the Secretary to Government, Fort Saint George ; dated Tanjore, 17th November 1866, No. 2.

I am requested by the Municipal Commissioners for the Town of Tanjore to obtain the approval of the Governor in Council for levying fees on carriages, horses, and other animals, as described in Shedule C to the " Towns' Improvement Act" (Madras Act X of 1865), as also on the registration of carts, under Section 65 of the said Act, for the half-year commencing 1st November 1866 and ending 30th April 1867, in addition to the sources sanctioned in the Order of Government, dated 8th October 1866, No. 1023.

2. The chief reason for making this request is that, in consequence of the toll gates around Tanjore being ten in number, and in close proximity to the town, it will be impossible for owners of carriages, carts, and animals kept within the town, to take them even a short distance out of the town and back again, without being subject to the constant payment of tolls, and thus suffering great hardship and inconvenience.

3. I am moreover directed to add that, in the original scheme for Tanjore drawn up by the Commissioners, these two sources of taxation were expressly included amongst those which recourse should be had to, but that the late Acting Magistrate, apparently having lost sight of the facts mentioned in paragraph 2, did not include them in the Memorandum which accompanied his letter, dated 30th July 1866, No. 77, because they were " calculated to yield the very small sums of Rupees 1500 and 900 respectively."

4. As I fully agree with the Tanjore Town Commissioners on this subject, I beg to recommend that the approval asked for in paragraph 1 be accorded.

5. An early answer is respectfully requested.

No. 144. ORDER THEREON, 21st November 1866, No. 1200.
