*Proceedings of the Madras Government, Revenue Department,
24th August 1866.*

No. 633. Read the following letter from the Superintendent Government Central Museum, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 20th August 1866, No. 170 :—

No. 463 of 17th August 1866.

1. I have the honor to annex a copy of a letter from the Deputy Conservator of Forests, in charge of the

Central Office, and request that the amount sanctioned for the payment of the Herbarium keeper may be made available, either by its transfer to me or by continuing to pay that individual in the Forest Department.

2. The amount already disbursed by me in the payment of salaries is Rupees 332-8-0, which leaves only Rupees 132-8-0 to meet all other charges. The Museum cannot bear this additional charge of Rupees 25 from the present allowance.

3. I have also to request sanction for the supply of two almirahs, in which to keep the Herbarium. There are two small, badly made, narrow cases, containing a portion only of the collection, and which are quite unsuited to the purpose, in fact mere make-shifts. The proper preservation of the collection requires two large and well made almirahs, like those of the British Museum.

4. I beg to add that it will be necessary to make provision for the payment of the Herbarium keeper in the Budget for 1867-68.

No. 634.

ORDER THEREON, 24th August 1866, No. 2,203.

Miscellaneous.

1. The Herbarium keeper will be retained for the remainder of the current year on the Forest Establishment, and

his pay disbursed from the Forest Budget. Captain Mitchell will include his pay for 1867-68 in his next Budget.

2. The requisite almirahs will be sanctioned on submission of an estimate.
