Proceedings of the Madras Government, Public Department,
26th November 1866.

No. 157. Read the following letter from the President of the Municipal Commission, Cuddapah, to the Secretary to Government, Fort Saint George; dated Cuddapah, 21st November 1866, No. 21.

I have the honor to request, with approval of the Commissioners for the Town of Cuddapah, that you will be so good as to obtain the sanction of Government to enable them, at their discretion, to allow the Government servants living outside the Municipal limits, but whose offices are situated within the Town of Cuddapah, to take out licenses for the carriages and animals, in lieu of Tolls payable under Section 51 of Act X.

2. For instance, Colonel Crewe lives just outside the limits, but every time he comes to office, or any member of his family comes into Cuddapah, they must pay tolls. There are also cases of Government Vakeels so situated. The only people who are exempted by Section 53 are Troops and Police Officers on duty.

3. I hear that persons living out of the limits of the Madras Municipality do compound for their carriages, &c., as Act IX provides for it; but Act X has no provision for the same.

No. 158. ORDER THEREON, 26th November 1866, No. 1213.

The Government have no power, under the Act, to comply with this recommendation, the proviso attached to Section 51 being restricted, in express terms, to carriages, &c., "kept within the limit of the town and licensed or registered by the Commissioners."
