*Proceedings of the Madras Government, Public Department,
5th December 1866.*

No. 5. Proceedings of Government, dated 5th December 1866, No. 1232.

From a report submitted by the Record-keeper, of the contents of the strong Almirah in the Government Record Office, it appears that packets Nos. 37 to 42 contain the articles described in the margin.

37.—5 Rupees.
38.—Bronze Medal and Silver Badge.
39.—Gold Medals.
40.—3 small Copper-plates.
41.—3 Copper-plates of Furlough Certificates.
42.—1 Large Company's Seal (brass).

2. The Coins (No. 37) were received from the Superintendent of Police, in January 1821, as specimens of forged Rupees then found to be circulated. These will be sent to the Mint Master, to be melted down, and the value credited to Government.

3. The Gold Medals (No. 39), struck in commemoration of the capture of Seringapatam, were received in 1808 from the Court of Directors, for presentation to the Nabob of Arcot, and to the Rajahs of Tanjore, Travancore, and Coorg. No papers can be traced to show why these Medals were not made over to the personages for whom they were intended. That for the Rajah of Travancore will be now sent to the Resident, for delivery to His Highness. The Nabobship of Arcot and the Rajs of Tanjore and Coorg no longer exist; the Medals, therefore, intended for them, will be sent to the Government Central Museum—also, the Bronze Medal and the large Company's Seal (Nos. 38 and 42).

4. The Copper-plates (Nos. 40 and 41) and Silver Badge will be sent to the Mint, to be melted down.
