*Proceedings of the Madras Government, Public Department,
8th December 1866.*

No. 18. Read the following letter from the President of the Municipal Commission, Combaconum, to the Secretary to Government, Fort Saint George; dated Vallam, 28th November 1866, No. 7.

I have been requested by the Municipal Commissioners of Combaconum to inform them whether the term "lands", as used in Sections 37 to 44 of Act X of 1865, is intended to include lands already paying assessment to Government, as also Inam lands.

2. It appears from the Commissioners' letter that a considerable quantity of irrigated Nunjah land, already paying Government assessment, is situated within the limits of the town of Combaconum, and as I am in great doubt whether it was intended that such land, as also Inam land, should be liable to further taxation, I have the honor to request the orders of Government on the subject.

3. In Act IX of 1865 (the Municipal Act for the Town of Madras) Section 49, there is a distinct proviso as regards lands unappropriated to building purposes, but no such proviso is contained in Act X of 1865.

No. 19. ORDER THEREON, 8th December 1866, No. 1245.

The Governor in Council sees nothing in Act X of 1865 (Madras), to warrant the supposition that "lands" within the Municipal limits, paying assessment to Government, are, on that account, exempt from taxation under Sections 37 to 44.
